| Sail Area | 90 sq. ft. | Deck | Dacron |
| Mast Height | 22' | Spars | Anodized aluminum |
| Weight | 165 lbs. | | |
| Power | 3 hp with optional motor mount | | |

Strap on this twin hulled speedster and grab yourself a fistful of freedom. There's no sailing kick to equal a hull flying romp aboard an Aqua Cat. It's the world's fastest 12' sailboat, officially clocked at 18 knots. And with lots of built in muscle and drive, an Aqua Cat powers in and out of heavy surf like nothing you've ever seen.

She's built to take it. Anodized aluminum, to resist wear and corrosion, a non-skid Dacron deck, and tough fiberglass hulls add up to rugged durability.

Kick-up, retractable rudders allow Aqua Cat to stalk the wind in only five inches of water.

Sassy rally stripes, together with bright new hull and sail color combinations, make Aqua Cat stand out in any crowd. And, if it's a crowd you're seeking, you'll be part of the world's largest catamaran fleet.

It's a high performance competitor . . . a cartopping vacationer . . . a lazy day family fun boat.

Above all, it's an action packed hustler, switched on by a mere whisper of wind.

You'll fly first class . . . on Aqua Cat!

Printed in U.S.A.

Aqua Cat. Complete with 90 square foot sail and deluxe Dacron deck.

\$795.00

ACCESSORIES

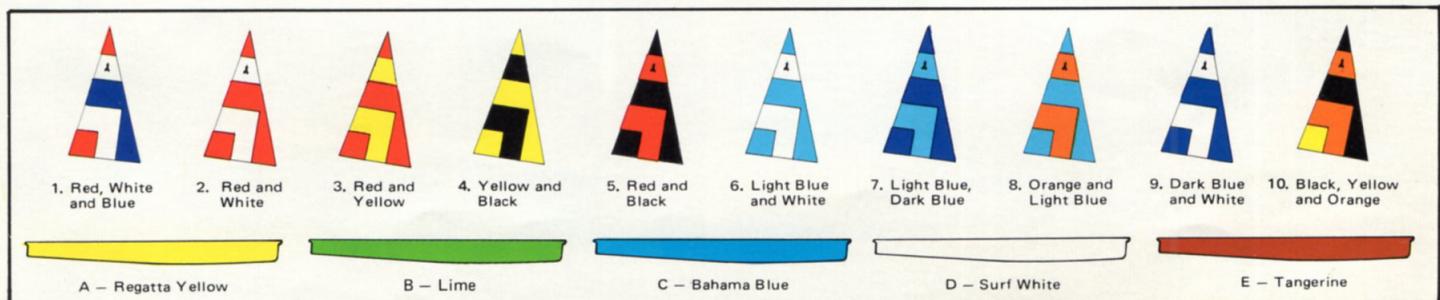

| | |
|---|---------------|

Price quoted is manufacturer's suggested retail price and also is the minimum retail price in states where the manufacturer's products are fair-traded pursuant to contract or by operation of law. Price, F.O.B. Charleston Heights, S. C., and specifications subject to change without notice.

Below are shown standard sail and hull colors. Order by sail number and hull letter.

NEPTUNE

A lively and responsive racer . . . a two man sport sailer . . . a family sized daysailer. Neptune gives you sailing at its very best.

Her 14'1" overall length, together with her 5'8" beam, makes her one of the more stable small boats on the water.

She'll cruise comfortably with six adults aboard, sheltered against wind and spray by full length inboard seating.

An insulated stowage-party cooler keeps picnic lunches fresh . . . keeps cold drinks cold.

Her kick-up rudder, self bailing cockpit, and enclosed centerboard trunk give shallow water convenience . . . deep water safety.

Neptune carries 115 square feet of sail on her slotted anodized aluminum spars.

Double-hulled, for extra strength, Neptune's outer hull is Bahama Blue, with white waterline stripe. Her decking is white, with simulated wood grain fiberglass seats and flooring.

And she sports fore and aft adjustable jib blocks, hiking straps, poured-in-place foam flotation . . . features that add up to quality, safety, and comfort for all hands.

Let yourself go in Neptune . . . a blue water thoroughbred.

Suggested Retail Price — \$1,195.00

kingfisher

Picked as a trainer by the nation's leading clubs and camps, Kingfisher is roomy . . . stable . . . seaworthy. She's a delightful family daysailer, with comfortable cockpit seating for four.

Her 11'11" length, and 4'8" beam, combined with her generous freeboard makes her safe for young seamen who are learning the ropes . . . and keeps her dry for old salts who yearn for room and solid comfort afloat. Big boat features include a roller reefing boom, so you can tuck her away quickly and easily at the end of a day's sailing.

A covered foredeck provides plenty of dry forward stowage. And Kingfisher's kick-up beaching rudder lets her be taken safely into a beach or shallow anchorage. Kingfisher carries an easily managed eighty square feet of sail on her anodized aluminum spars.

A small outboard can be mounted on her transom for added versatility. A custom canvas cover is available for trailering and protection from the weather.

Kingfisher. Classic beauty combined with unusual safety and stability.

It's the kind of boat you'll want to sail forever.

Suggested Retail Price — \$895.00

ATLANTIC DINGHY

ROWING MODELS

9 1/2' SEAL

Classic, round chine design by Phil Rhodes. Roomy, highly adaptable for rowing or outboard power. Very strong and stable, SEAL accommodates three adults comfortably and safely.

-\$239.00

8' DELUXE YACHTSMANS

An all purpose dink for rowing and outboard power. Can be carried inside a station wagon. Proven hard chine design with three varnished seats.

-\$184.00

7' ECONO DINK

Practical and versatile with traditional design. High prow, hard chine, and deep keel molded into hull provide exceptional stability.

-\$139.00

This group of smart little boats has been designed for safety, usefulness, and fun.

They're built by skilled craftsmen, finished to perfection, and each one must pass a rigid quality inspection before it leaves our plant.

All rowing and sailing models have gel coat interiors, and are complete with bronze oarlocks and sockets, towing ring, vinyl gunwale guard, and foam flotation.

All sailing models are complete with anodized aluminum masts and booms, synthetic running rigging, stainless steel hardware, varnished daggerboard and rudder, and Dacron sails.

All Atlantic dinghies can be cartopped and carried on most camping trailers.

Price quoted is manufacturer's suggested retail price and also is the minimum retail price in states where the manufacturer's products are fair-traded pursuant to contract or by operation of law. Price, F.O.B. Charleston Heights, S. C., and specifications subject to change without notice.

6' PIXIE

Lightweight, easy to stow, with fore and aft seat for easy trimming. Easily rowed, PIXIE makes an excellent tender.

-\$115.00

SAILING MODELS

9 1/2' SEAL

One of the world's most easily recognized sailing dinghies. She handles well, points higher than most cat-rigged sailing dinghies, and sails faster than many boats almost twice her size. A classic round chine design by Phil Rhodes, with 40 square foot sail.

— \$479.00

TRI HULL MODELS

MINI III TRI HULL SKIFF

Fourteen footer, with plenty of beam for extra stability and load carrying capacity. Highly maneuverable tri-hull makes her an excellent ski boat, and soft riding qualities make her a superb fisherman. Marine blue gel coat interior.

— \$395.00

MINI I TRI HULL DINK

Sporty outboard or rowing dinghy, with a true gull wing tri-hull. Super safe and stable, 8'2" overall, she's a beamy, very seaworthy yacht tender or runabout. Has easy to clean gel coat interior. — \$219.00

8' DELUXE YACHTSMAN

Handles like the big boats. Comfortable sailing for two adults. Beamy and stable, with high freeboard and 39 square foot sail. — \$389.00

7' ECONO DINK

Popular sailing model. Great as yacht tender, frostbiter, utility boat. Colorful, 35 square foot sail. Excellent trainer or knockabout. — \$279.00

MINI II TRI HULL SKIFF

An ideal yacht tender or runabout that will pull water skis with only 9 1/2 horsepower. Gel coat interior. Safe, stable, and soft riding.

— \$299.00

SUPER MINI I TRI HULL DINK

Deluxe version of MINI I. Complete inner hull is formed in one piece from strong, low maintenance Boltaron ABS and is pressure bonded to rugged fiberglass outer hull.

— \$269.00

bay fisher

Economy priced sportboats for year 'round fishing and fun use. All Bay Fishers are smooth riding Tri-Hulls with built in air chambers and foam flotation. Rugged, safe, and economical, with unusual versatility, the Bay Fisher series answers the need for a low priced, quality boat.

8' MODEL Super stable hunting or fishing boat. An easy to handle, easy to launch cartopper or family camper. — \$199.00

12' MODEL Extra room for extra gear, whether it's hunting, fishing, or fun. Excellent beam to length ratio offers unusual maneuverability. — \$257.00

14' MODEL Good all around boat. Designed with the fisherman in mind. Molded-in rod holders and bait wells make this boat a fisherman's delight. — \$339.00
