 Designer.....Leif Bailey
 Rating.....PHRF 138

Berths.....4
 AUX.....4-hp. outboard

The B-25 is the ultimate offshore / inshore one-design. Its easy-to-use retractable keel makes trailering and ramp launching a breeze. Compare our impressive racing record with Melges, Tripp and Carrera, then compare prices. A race-ready B-25 (including motor, trailer, sails and instrumentation) is under \$30,000. Standard equipment includes lifelines, pulpits, running rigging, multiple genoa tracks, a 12:1 internal backstay, a 4:1 vang, and a complete electrical system. With carefully planned one-design rules and a class association that sponsors racing and cruising events including a national championship regatta, you'll see why the B-25 is truly the Class of the 90s. Check us out on the World Wide Web at www.paw.com/sail.
