I.....	39'8"	AUX.....	5-hp. outboard

The B-32 is the latest design from Bboats, a division of Ring-O-Steel, Inc. Intended for one-design and PHRF (rating: 72) racing, the B-32 is optimized for maximum all-around performance. The B-32 was chosen as *Sailing World Magazine's* 1996 PHRF/Sportboat of the Year, beating the Mumm 30 and Melges 30 for top honors. Additionally, in its first year of racing, the B-32 took first place honors at the 1995 Annapolis Race Week and at the 1996 Key West Race Week! The B-32's truly outstanding boatspeed is the result of a highly-refined hull shape working with a tall fractional rig that is technologically sophisticated but easily handled. The efficient deck layout and quality deck hardware allow you and your crew to easily sail to your maximum potential. Bboats utilizes only the finest hardware and materials during the manufacturing process. At less than \$70,000 for a race-ready boat, the B-32 offers the best racing value on the market today. Call or fax today for more information. Check us out on the World Wide Web at www.paw.com/sail.
