# BALBOA <sup>TM</sup>

# 24

A warm luxurious, well equipped interior awaits you at the end of a days' sailing.

The standard rig has a 26'6" mast and provides very fast responsive performance. The sailing picture on the reverse side of this brochure is a std. rig. The std. rig is easy to step and has a well balanced sailplan for plenty of fun and sailing enjoyment. The mast and boom are anodized aluminum.

The optional tall rig offers an exceptionally quick sailboat rigged for racing. It includes a 28' mast of an advanced section design with four recessed masthead sheaves, airfoil spreaders, stainless steel gooseneck with reefing hooks, three sheave end cap and gooseneck for internal outhaul and two internal reefs and comes in your choice of ivory, white or black ESP spar cling paint.

The new BALBOA 24 is a first class sailing machine.

Exterior features include a full size anchor locker on the foredeck, tinted Plexiglas foredeck hatch, pop-top with full standing head room, tinted windows, hidden lazarette for gas can, two cockpit ice chests, cockpit hatch to the interior, curved cockpit coamings for comfortable seating, winch pads on the coaming, teak handrails, recessed instrument panel with tinted Plexiglas cover on cabin wall in cockpit, molded in toe-rails and non-skid, stainless steel outboard bracket, hinged mast step, bow pulpit, mooring cleats, and much more.

Interior features include a complete fixed galley with ice chest, stainless steel sink, area for recessed stove with cutting board top, teak utensil cup and plate rack, seasoning shelf, sliding Plexiglas doors on starboard cabin storage areas, bulkhead fold down table, teak ladder to the interior, molded in quarter berth storage areas, teak magazine rack, full vinyl headliner in all of cabin areas, storage area behind quarter berth backrest, shelf on port quarter berth backrest hanging closet, shoe bin, completely bulkheaded and separate head area, stainless steel sink in head area, teak toothbrush holder in head area, teak paper holder, full fiberglass hull-liner all the way to the transom giving smooth interior finish even under the cockpit, decorator carpet with color coordinated rich cushion fabric, double doors into storage area below galley, shelf above hanging locker, and a large teak bedding drawer in the V-berth.

The BALBOA 24—super sailing and super plush interior.
