Technical Specifications

The First 36.7

The First 36.7 is a competitive One Design Racer outfitted with the finest available equipment and offered at an unbeatable value. Designed by Farr Yacht Design, LTD. and inspired by the First 40.7, the First 36.7 is the most successful and prolific performance yacht of her size in the last 20 years. The First 36.7 is truly exhilarating on every point of sail. With over 400 boats worldwide, racing sailors of every experience level are hailing her as the most exciting new racer on the water. One-Design Fleets are available across North America. Find out what many sailors have discovered as one of the best secrets on the water.

The Beneteau First 36.7 is built with pride in Marion, South Carolina.
