

# Buccaneer

## Trailerable Family Cruising Yacht 240

### PERHAPS THE SAFEST, MOST LUXURIOUS FAMILY CRUISING YACHT FOR THE MONEY.

The Buccaneer 240 sets a new standard for comfort, safety and convenience in a cruising yacht.

#### SPECIFICATIONS

LOA	23'8"
LWL	20'4"
Beam	8'0"
Draft	2'3"
Displacement	3000#
Ballast	1050#
Sail Area	222 sq. ft.
Water	10 gal.
Cabin Headroom	6'0"

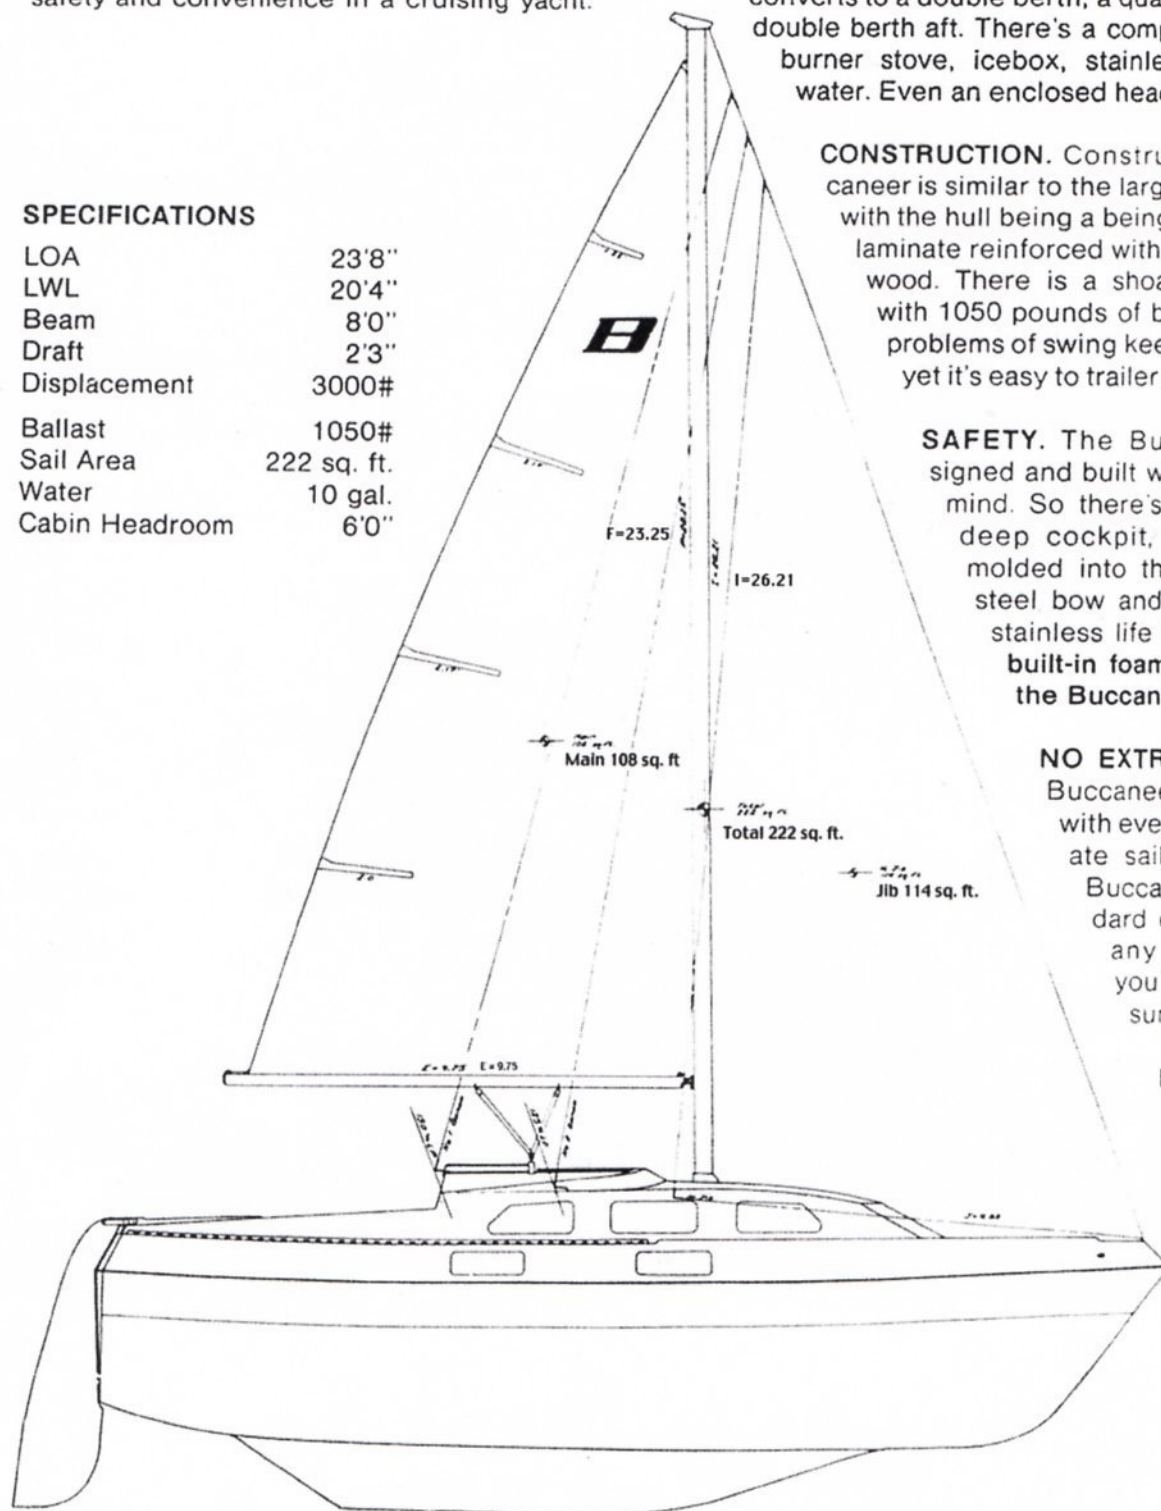

**COMFORT.** There are the sort of accommodations you'd expect to find on a 27 footer. Like V-berths in a privacy cabin forward, a dinette that seats four and converts to a double berth, a quarter berth and a full double berth aft. There's a complete galley with 2-burner stove, icebox, stainless sink and fresh water. Even an enclosed head for privacy.

**CONSTRUCTION.** Construction of the Buccaneer is similar to the largest cruising yachts, with the hull being a heavy fiberglass laminate reinforced with balsa core and plywood. There is a shoal draft, fixed keel with 1050 pounds of ballast. None of the problems of swing keels or centerboards, yet it's easy to trailer and easy to launch.

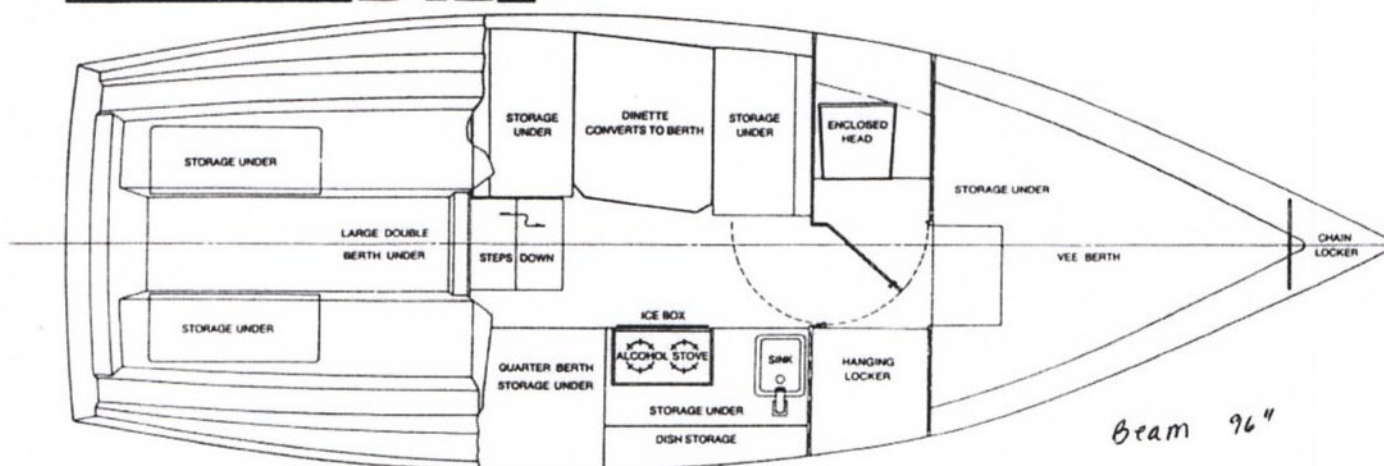

**SAFETY.** The Buccaneer was designed and built with family safety in mind. So there's high freeboard, a deep cockpit, non-skid pattern molded into the decks, stainless steel bow and stern pulpits and stainless life lines. **Plus, there's built-in foam flotation to make the Buccaneer unsinkable.**

**NO EXTRAS TO BUY.** The Buccaneer comes standard with everything for immediate sailing. Compare the Buccaneer's list of standard equipment against any other boat and you'll find the real measure of value.

Buccaneer 240... a family cruising yacht that's safe and comfortable. At an unbeatable price.

## ***Buccaneer*** ***240***
