

#### ACTUATOR'S COMMENT

C 24 has been recommended for years as the boat with which to start sailing experience. If you do, you will not only start in style but with all the advantages of a C & C.

The wealth of experience in design and execution that goes into the C line you'll find in the C & C 24.

C 24 was created as a comfortable family yacht, ideal for weekend or cruising. There's always been lots of family room aboard.

Galley features large food preparation areas, recessed food trays, dish and dry storage, a large stainless steel sink with fresh water

several built-in icebox with drain and a recessed two-burner alcohol

you might well believe you're on a bigger boat. Wide 6'4" settees, for

that convert to a pair of comfortable berths. And you'll find large

storage areas beneath the settees too.

at V-berth forward, convenient head with chemical toilet and full-

acy curtain, forward opening hatch, full-view plexiglass ports,

plexiglass companionway hatch and fitted grab handles make the C & C

markable solution to the sailing family's need for the basic cruising

big and roomy for her size, but you'll find the C & C 24 fast on her

entry is sharp and fine for superior rough water performance while

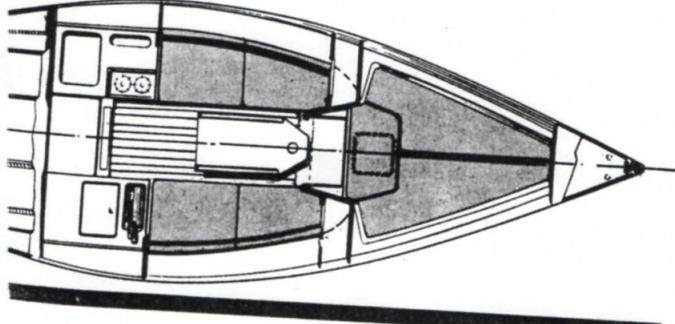

provides added stability and wave damping. And you'll find the

and downwind performance equally delightful. Cruising or racing,

is in a class of her own.

C & C yacht, the 24 features the same high standards of quality in

construction and fittings that have become synonymous with C & C.
