

CS 30

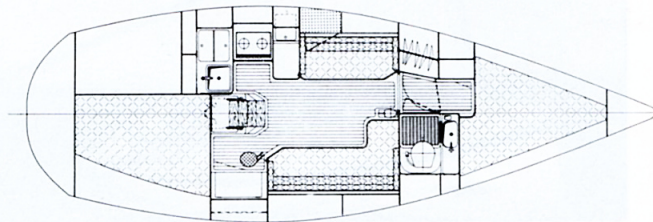

30'

The CS 30 is a classic example of a high-performance cruiser developed from a racing heritage.

The uncluttered deck is designed with convenience and function in mind, featuring top-quality fittings and equipment, ergonomically designed seating, and a surprisingly spacious cockpit.

Belowdecks, the CS 30 is a study in sophistication. The roomy cabins and saloons are richly appointed, with plenty of headroom and lighting. The galley is fully equipped, and the head is cleverly designed.

The CS 30—meticulous craftsmanship, optimum performance, and unsurpassed

beauty. Yachting will never be the same.
