

CAL 2-24

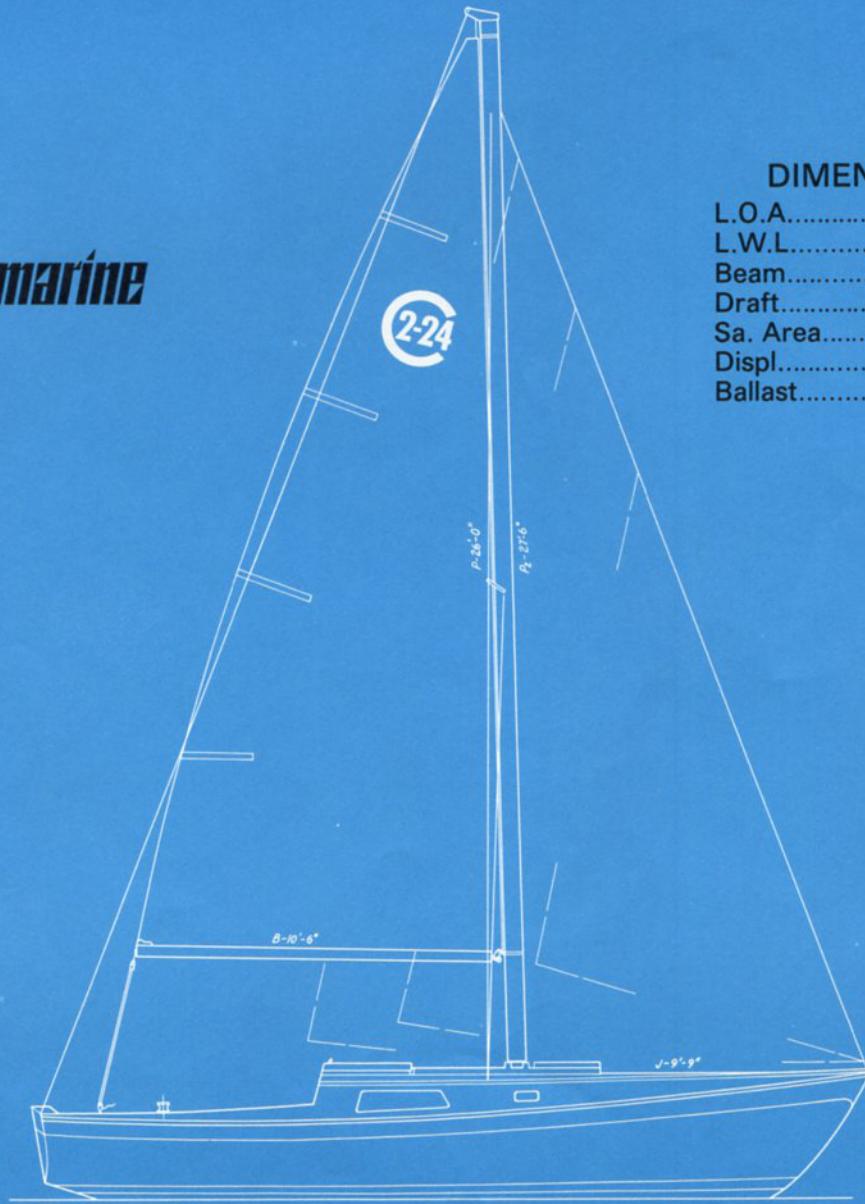

LAPWORTH DESIGN
ALL FIBERGLASS
FIN KEEL SPADE RUDDER
NEW 15/16THS RIG

SLEEPS 4
ENCLOSED HEAD
SELF-BAILING COCKPIT
OUTBOARD TRANSOM

The Cal 2-24, two twenty-four, is the new successor to the very first Cal boat, the Cal 24. Designed by Bill Lapworth, the new Cal 2-24 incorporates advanced design features in both hull and rig—a high ballast to displacement ratio for good stability—a long waterline—a newly designed fin keel and spade rudder—a new 15/16 high aspect ratio sail plan that allows controlled mast bending

and optimizes sail shape. But, with all these features the Cal 2-24 is a roomy cruiser—private two compartment layout with four bunks and enclosed head—raised deck design that provides full sitting headroom below. With two seat hatches, its big self-bailing cockpit, outboard transom, all fiberglass construction and low, low cost, the Cal 2-24 is a hard boat to beat. Price: \$4,575.00.
