AMERICA'S FAVORITE NEW DAYSAILOR AND ONE DESIGN RACER

CAPRI 14.2

The Capri 14.2 is the perfect combination of daysailing comfort and racing performance for the active sailing family or couple.

The stability and easy handling make the 14.2 an ideal boat to learn in, while the experienced skipper will enjoy an active one design racing class.

The 14.2 cockpit has long seats with seat backs, wide side decks and plenty of freeboard help keeps the crew dry and comfortable.

An easily retracted centerboard and kick-up rudder make beaching and trailer launching easy.

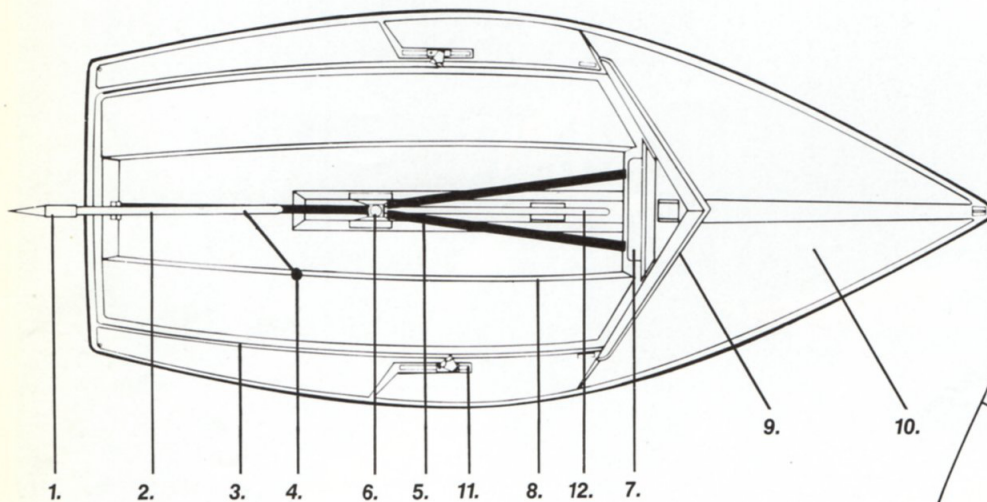

The 14.2 is built of hand-laminated fiberglass with molded-in non skid and colors. The trim is teak. All spars are anodized aluminum. Rigging is stainless steel. The hardware is high quality for durability and low maintenance.

The 14.2 has quickly earned a reputation as the best new day sailor in America today.

Sail a Capri 14.2 and join the fun.
