CAPRI 16.5

The Capri 16.5 is the latest daysailer in the popular Capri line. The big roomy cockpit is ideal for family outings with comfortable seats inboard and wide coamings outboard to suit your sailing style.

A powerful sailplan is balanced by the stable hull form and ballasted fiberglass centerboard. This provides excellent performance and sure, predictable handling in a broad range of conditions.

The Capri Sailboat commitment to value means quality hardware and construction for minimum upkeep and years of family sailing fun.
