

CAPRI 16

by ***CAPRI Sailboats***

A COMFORTABLE DAYSAILOR AND CAPABLE MICRO CRUISER

CAPRI 16 by **Capri Sailboats**

The Capri 16, quality and features of a big boat in a practical trailerable size.

Maximum use of the cabin space was made in the Capri 16 to provide everything necessary for overnighting.

There are two comfortable, extra long berths with lined storage compartments beneath. Forward is flat storage area with a shelf above, there is also a secure storage space for the removable ice chest, which is standard on the Capri 16.

Aft, underneath the cockpit, is a concealed storage space for the self contained head.

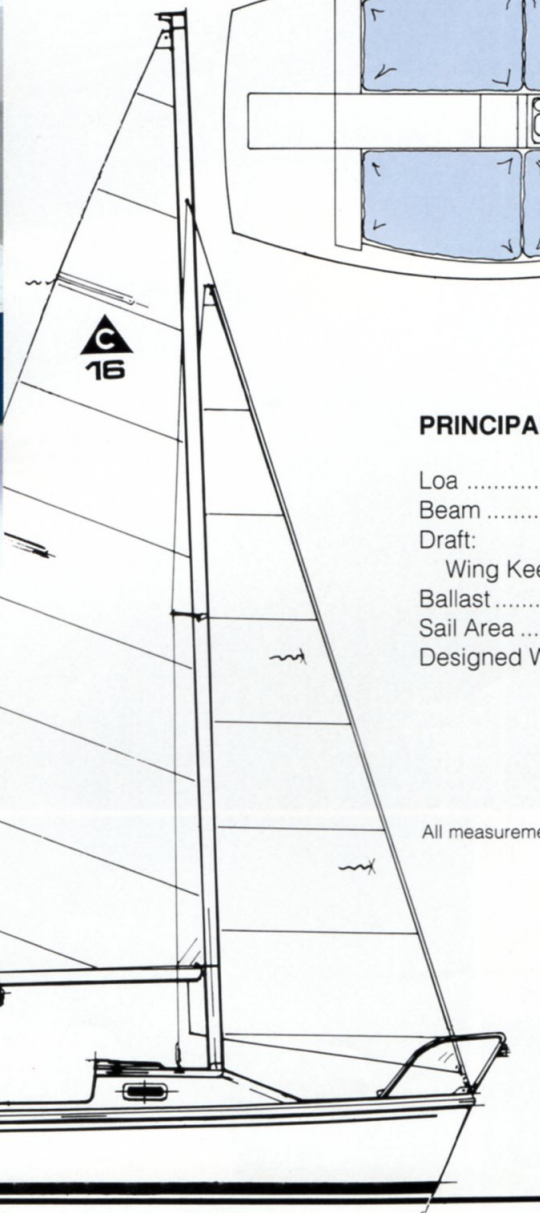

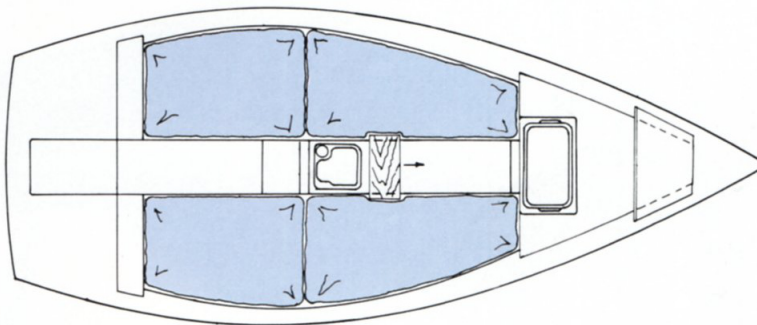

The cabin of the Capri 16 is finished to a high standard uncommon in mini-cruisers including a color coordinated molded fiberglass deck liner, a complete electrical system with a control panel and circuit breaker and teak interior trim.

The Capri 16 is an extraordinary sixteen footer, designed to bring you many features previously found only in larger boats in a compact, affordable package.

A comfortable, stable, daysailor with the capability to accommodate two, overnight, on comfortable berths, is the best of both worlds.

The Capri 16 is trailerable by most smaller cars and is easily rigged in a few minutes making trailing to your favorite sailing area a practical alternative to in the water storage.

A very complete standard equipment list and quality big boat features are why the Capri 16 is the outstanding choice in her class.
