

Dynamique 52

50'

Designed by Joubert/Nivelt, Dynamique 52 is a wonderful cruising sailboat with a very surprising deckhouse saloon of more than 12 square meters where you have great pleasure living on board, welcoming guests, sitting in the saloon, standing up at the galley, and having the pleasure of the panoramic view over the sea.

Built in a sloop version with fixed keel or shoal keel, with three, four, or five cabins plus the saloon, the Dynamique 52 is suitable for luxury cruising as well as comfortable and fast charter programs. The design of the deck allows for easy maneu-

vering, and sunbathing becomes a pleasure on the large, flush foredeck.

Aft, the large cockpit is well protected by the nonobstructive coach roof of the deck saloon and offers three large sail lockers for stowage.

The hull is made out of stratified polyester, neither sprayed nor charged.

We want to stress the complete equipment of this boat, on which each piece has been chosen with two thoughts in mind—quality and strength.

Don't hesitate to contact us for any further information in France or our charter base in St. Marteen, where our complete range is available.
