

The Islander
Excalibur Twenty-Six

The Islander Excalibur 26 is one of the fastest yachts in its class, yet is an excellent sailing cruiser.

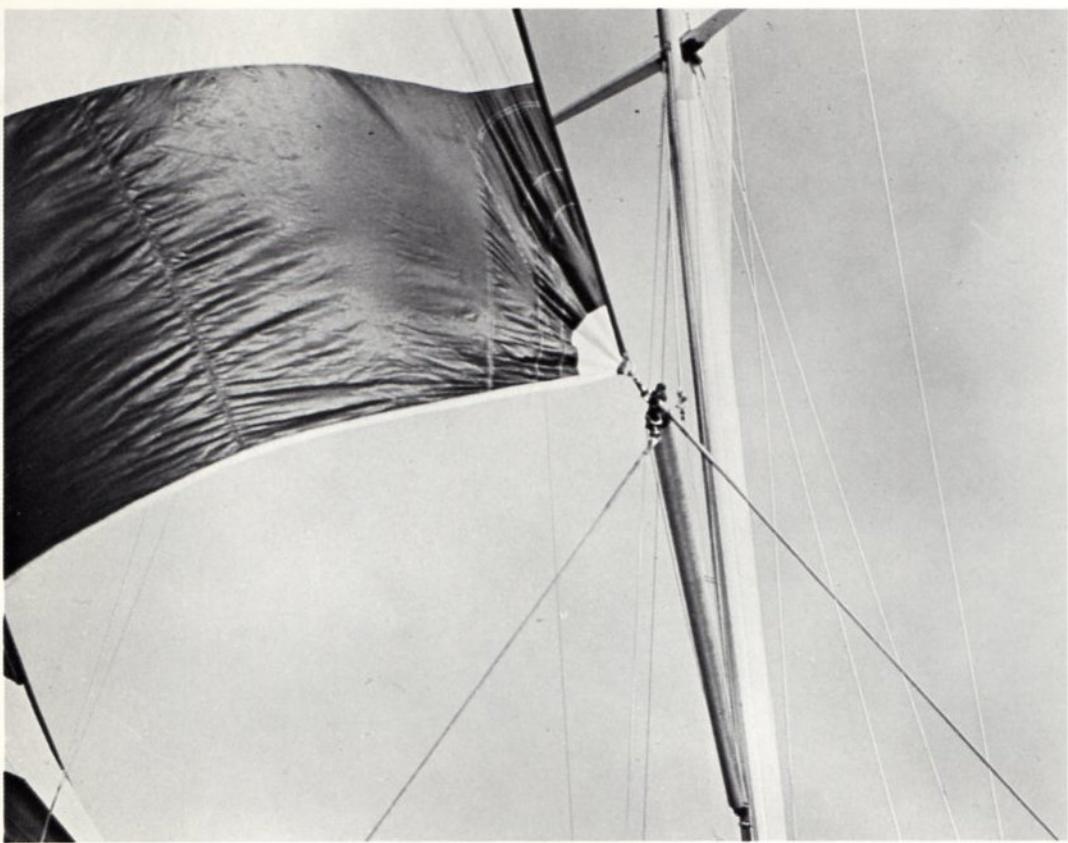

The aluminum mast and roller-reefing boom are racing light, but strong enough to handle any weather. The deck hardware is through-bolted and wood-backed.

The reinforced fiberglass hull and deck are hand laminated for maximum strength and safety. And our choice of materials means there's almost no maintenance so you can spend most of your time on the water.

For cruising, the Excalibur 26 sleeps five and is complete with galley counter, dinette and an enclosed head compartment. The interior is finished in mahogany with large storage lockers under the berths to make it even easier to live aboard when you're out of sight of land.

Most Excalibur owners spend a lot of their time just outside the harbor. Racing. Why not have an Islander dealer show you why?

The Standard Yacht:

Color

Your choice of Mist Blue, Seafoam Green, Tangerine, Sail White or Yucatan Yellow cast into the hull and deck.

Hull

One piece with hand laminated reinforced fiberglass with integral lead ballast.

Deck

One-piece plywood reinforced fiberglass with molded non-skid surfaces in all working areas.

Rigging

Aluminum mast and boom. Stainless steel standing rigging, turnbuckles, chain plates and mast tangs. Aluminum spreaders. Roller reefing. Braid and stainless steel main and jib halyards. Braided main and jib sheets.

Exterior

Stainless steel mooring cleats. Oiled teak toe rail, coaming and hand rails. Self-bailing cockpit. Outboard motor well. Laminated ash tiller. Bottom paint.

Interior

Varnished mahogany panelled interior. Enclosed head compartment. Galley counter. Hanging locker. Convertible dinette. Vee berths. Quarter berth. Color coordinated cushions, carpeting and curtains.

Optional Equipment

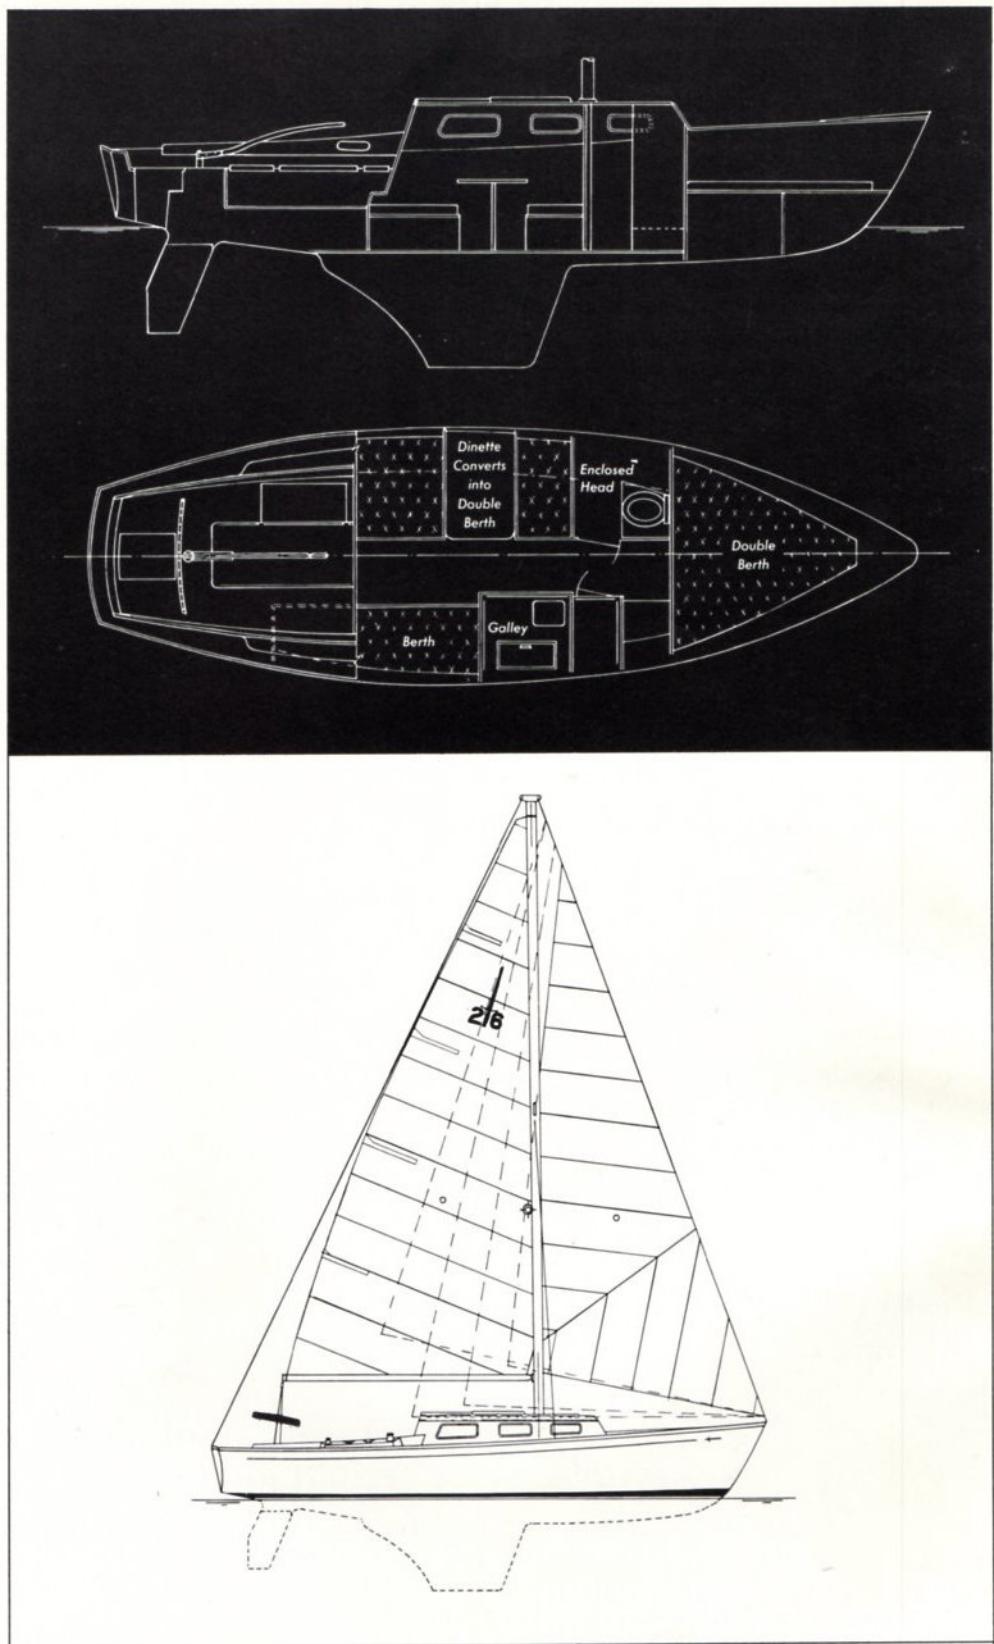

Islander offers optional equipment to suit each individual. This includes spinnaker gear, additional winches, pulpits, galley and other equipment which your dealer can recommend to meet your needs.

ISLANDER YACHTS WARRANTY POLICY

ISLANDER YACHTS: For a period of twelve months (12) from the date of sale to the first use purchaser, will through its selling dealer repair or replace any part manufactured by it (except hereinafter provided) which is proven to Islander's satisfaction to be defective by reason of faulty workmanship or materials, if such part is promptly returned to the dealer with a sum sufficient to pay transportation charges to such point of manufacture as Islander may designate.

For the first twelve months from the date of sale to the first use purchaser, will through its selling dealer reimburse the purchaser for the labor costs involved in the removal of the defective parts and the reinstallation of repaired or replaced parts, provided that the labor cost reimbursed will be based on a Flat Rate Schedule established by Islander Yachts, and where not applicable on a reasonable number of hours as determined by Islander Yachts. In either instance labor will be paid at the regional labor rate.
