

GLEN-L 14

A 14' SLOOP

Here's a sprightly sloop that the whole family will enjoy. The broad beam not only makes the **GLEN-L 14** a safe and stable boat, but allows plenty of room for the family. Coming about is an easy process for everyone as the centerboard trunk protrudes only 10" above the cockpit sole. Although designed as a family-type day sailer, the **GLEN-L 14** can perform with the best of the fleet when the occasion demands it.

The **GLEN-L 14** is an easy boat to build, even for the novice. Complete instructions are provided with either the **PLANS & FULL SIZE PATTERNS** or our **FRAME KIT**. Lightweight plywood construction keeps your costs low and makes trailering and launching a simple process. You can completely outfit your own **GLEN-L 14** by using the various kits available.

COMPLETE PLANS include **FULL SIZE PATTERNS** for the centerboard, centerboard trunk, stem, rudder, breasthook, and half-section patterns for each of the frames and transom, instructions, Bill of Materials, and Fastening Schedule.

GLEN-L 14 FRAME KIT

To make building your **GLEN-L 14** even simpler, use a **FRAME KIT**. The **GLEN-L FRAME KIT** includes:

- Each frame fully assembled
- Deck beams
- Stem
- Breasthook
- Transom fully framed
- Centerboard trunk assembly
- Centerboard
- Rudder
- Complete **PLANS** with instructions, Bill of Materials, & Fastening Schedule
