Draft (board up)	7"
Draft (board down)	3'-4"
Hull depth	2'-0"
Hull weight (approx.)	370 lbs.
Average Passengers	2-5
Cockpit size	4'-6" x 11'
Sail area:	
Main	90 sq. ft.
Jib	24 sq. ft.
Total	114 sq. ft.
Hull type:	Vee bottom hard chine hull developed for sheet plywood planking.
Sail type:	Jibhead sloop rig with centerboard
Power:	Outboard motor to 7½ HP
Trailer:	Designed for use with GLEN-L SERIES 1000 boat trailer plans

The notable feature of the **GLEN-L 15** is the big cockpit. There's over 18 lineal feet of seating and plenty of foot room. The boat is ideal for a large family, and is safe and stable. The sloop rig provides excellent performance, and if desired, the jib may be left in the bag and the boat sailed single-handed. The main sail is large enough to allow good performance by itself. The **GLEN-L 15** can perform double duty as a light fishing skiff or utility boat by using a lightweight outboard motor up to 7½ horsepower, if you desire.

Sailing and building your own **GLEN-L 15** is simple, even for the beginner. Our **PLANS** or **FRAME KIT** are specially intended for the amateur. You can outfit yours just as our designers intended it to be, by using our various kits. Whichever way you decide to build, you AND your family will enjoy both building and sailing the **GLEN-L 15**.

COMPLETE PLANS plus **FULL SIZE PATTERNS** for the centerboard, centerboard trunk, rudder, stem, breasthook, and half-section patterns for each of the frames and transom. Includes instructions, Bill of Materials, and Fastening Schedule.

GLEN-L 15 HARDWARE KITS

Each **GLEN-L 15 HARDWARE KIT** includes: Rudder gudgeons and pintles, rudder stop, gooseneck, all jam cleats, mast tangs, chainplates with covers, masthead sheave with pin, eye strap, bow plate, jib halyard block, mainsheet blocks, swivel eye block on plate, adjustable jib sheet slide on tracks with stops, swivel eye blocks on plates, centerboard sheave, centerboard block, and centerboard weight. Each **DELUXE** hardware kit includes all of the above except the adjustable jib sheet slides are replaced by quick action sliding jib sheet cam cleats on tracks with stops, and one swivel eye block on plate is replaced by a deluxe mainsheet cam cleat with block for ease in handling the sheets. Shipped **POSTAGE PAID** to anywhere in the U.S.

GLEN-L 15 RIGGING KITS

Each **GLEN-L 15 RIGGING KIT** includes: All stainless steel shrouds and forestay with swaged fittings and forestay turnbuckle, shroud adjusters, all halyards, centerboard lift, and all sheets of "yacht braid" line. Rigging kit ready for installation and shipped **POSTAGE PAID** to anywhere in the U.S.

GLEN-L 15 SPAR KIT

Each **GLEN-L 15 ALUMINUM SPAR KIT** includes: Aluminum mast, masthead fitting with sheaves, hound fitting, mast tangs, diamond stays with fittings, spreaders and spreader fittings, gooseneck, end cap, jib halyard block with fittings, and all required jam cleats. All parts included for assembly, complete with instructions. **PIVOTING MAST STEP** for easy launching available optionally — **SEE PRICE LIST**. Shipped **F.O.B.** Shipping weight under 50 lbs.

GLEN-L 15 SAILS

GLEN-L 15 sails, both main and jib, made from Dacron with insignia and matching sail bag. Shipped **POSTAGE PAID** to anywhere in the U.S.
