

# H.C. Christina 48

48'

**T**he Hans Christian Christina 48 has been created by a consortium of New Zealand designers and engineers at the center of New Zealand Yachting.

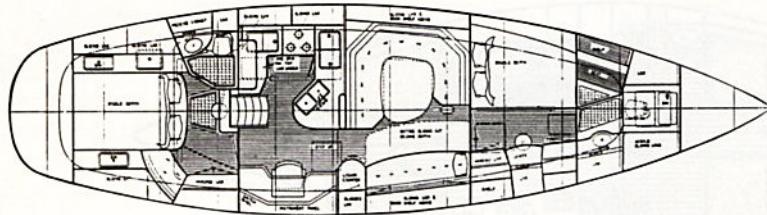

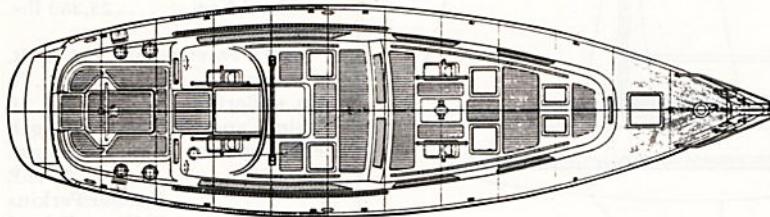

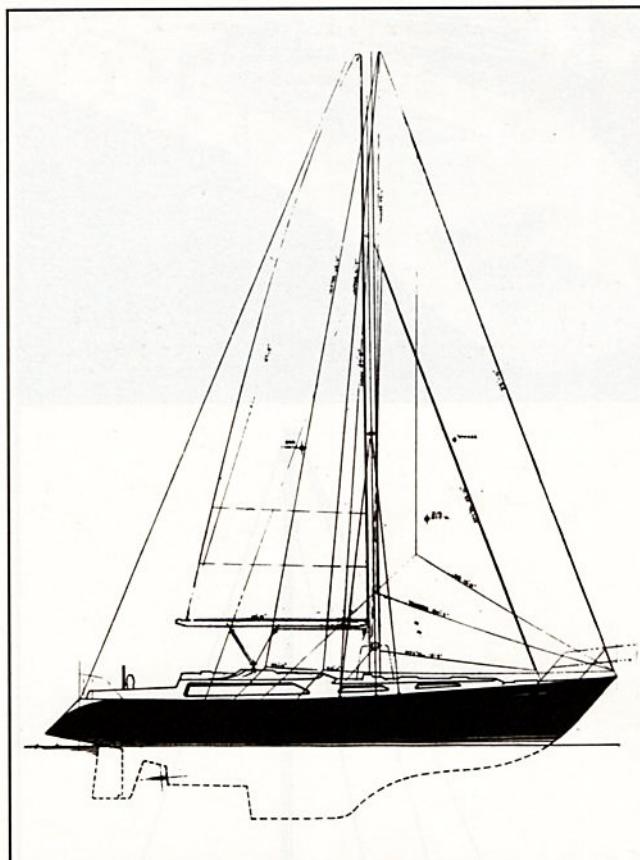

With high initial stability for sail carrying, a healthy inch-per-immersion ratio for load carrying while cruising, and performance under any conditions, she epitomizes the design ability of the Kiwi's sailing in the rugged Tasman Sea.

Christina's long lean profile and sharp entry camouflages a huge cubic interior. This design has a true and uncompromised aft cockpit and the massive main salon characteristic of most of our designs, plus a large aft cabin with separate head and shower. Also available is the twin aft stateroom plan with head and shower on centerline or the standard, beautifully tiled, shower and head shown on the aft cabin version.

The Christina 48 is powered

by a Yanmar 77 H.P. marine diesel with 3/1 reduction and a big 24-inch prop with access through engine room doors, but the entire engine room compartment can be disassembled for major repairs where there is total access to the engine and generator. Top speed under power is about 8.5 knots with about 7.1 for sustained cruising under power, and 5.8 knots for maximum range. Ballast is lead bedded in resin and chopped mat. Tanks are all stainless or black iron. Her recessed teak decks are a full 3/4 teak net utilizing vertical cut teak.

With over 970 sailing yachts built and cruising all over the world, Hans Christian Yachts is very proud to introduce this exceptional yacht. Hull number three is expected to be in Annapolis, Maryland for the 1989 Annapolis Sailboat Show.

L.O.A. .... 47' 11"  
L.W.L. .... 40' 3"  
Beam .... 13' 6"  
Draft:

Deep Keel ..... 6' 0"  
Shoal Keel ..... 4' 8"  
Ballast ..... 11,890 lbs.  
Displacement ..... 29,883 lbs.  
Sail Area ..... 980 sq. ft.

**Rig Dimensions**

**Foretriangle:**

I (Height) ..... 58' 0"  
J (Base) ..... 17' 0"

**Main:**

P (Luff) ..... 55' 0"  
E (Foot) ..... 17' 0"

Water Capacity ..... 124 gal.  
Fuel Capacity ..... 148 gal.  
Auxiliary ..... 77 H.P.

Yanmar 4JH  
Sails ..... Ulmer Kolius
