BEAM	7'-10"
DRAFT.....	3'-4"
SAIL AREA.....	198 Sq. Ft. (100% FΔ)
DISPLACEMENT.....	1050 lbs.
BALLAST	285 lbs.

New Ultra-Light "Daggerkeel"^{T.M.} Ocean Racer beats all comers on lakes, too.

At last, a little ocean racer that is beating everything around yet sells for less than you can imagine.

We've all been looking for a boat we can ocean race, lake race, overnight with the family, and trailer behind today's small cars.

Well, the **HOLDER20** is it: a truly trailerable, ultra-light ocean racer you can even store in your garage.

A patented* "Daggerkeel" fits tight to the hull, easily lets down for sailing, locks in place and yet is quickly raised for beaching and trailering.

A little two-horse outboard can be clamped to her transom without need of a bracket and will push her at a steady 4½ knots.

And is she fast?

The **HOLDER20** beat all comers at the 28th Annual High Sierra Regatta on Huntington Lake by over 4 minutes! She became known throughout the fleet as "that incredible little red boat".

In the Newport Harbor Round the Buoys Races she beat all the hot 24 and 25 footers.

And rated at just 180 PHRF, she is amazing us all.

The **HOLDER20**; a little ocean racer that is beating everything around, that trailers, overnights, and costs far less than you might imagine.

-STANDARD EQUIPMENT-

The **HOLDER20** is the most completely equipped one-design available today. All you need to add is you.
