

Sail to be cut with a generous belly.  
Use polyester cloth 160 g/m<sup>2</sup> about  
or Clipper Canvas / Oceanus 300 g/m<sup>2</sup> about.  
Sail is cut in small with cloth (400 mm about),  
preferably of cream or light tan colour.  
Tack, clew, head and reef reinforcements to be of  
traditional shape and as discreet as possible.  
Tublings and sail ropes to be of same colour as  
cloth or in hemp like rope.  
Sewing thread to be as far as possible of the  
same colour than cloth.  
Reef pennant in braid rope, unbleached or hemp like.
