

# INTERDANE "404"

The first "INTERDANE 404" was introduced in the Spring of 1969 in Denmark. In 1971, just two years later, there were more than 4,000 sailing. That same year, the INTERDANE 404 was selected by the International Yacht Racing Union as the two man dinghy for juniors in the world championships in Sweden, with more than 25 nations meeting. This fantastic growth and popularity give you some indication of the kind of excitement the INTERDANE 404 can deliver.

The sailability of the "404" in light or heavy weather . . . the exceptional stability . . . its maneuverability and speed characteristics . . . and most important, the strong one-design fiberglass hull, with 38 gals. of styrofoam flotation is totally unsinkable.

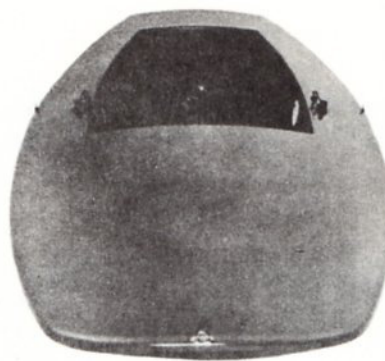

The INTERDANE 404 is a international class - with clubs worldwide.

Order your INTERDANE 404 now for one of the most exciting and enjoyable rides in sailboating today.
