

Island Packet 32

32'

The latest in new designs from Island Packet, the all new 32 continues the Island Packet tradition of combining a unique, modern, full keel hull with a versatile cutter rig and an innovative interior. The result is a yacht that offers spirited performance with unmatched safety and seakeeping, easy sailhandling, and a highly liveable tri-cabin layout.

Belowdecks, Island Packet has created an innovative, open living space with generous provisions for light and ventilation. Storage space for extended cruising abounds due to below-sole tankage, a variety of bins, drawers, shelves, and cedar-lined hanging lockers. The head is noteworthy for its separate adjustable shower unit, teak shower seat, and overhead curtain track. A curved teak vanity offers additional stowage. The oversized quarterberth and aft cabin area is also cleverly designed, with a slide-away privacy curtain that divides the cabin from the main saloon. A large fold-away nav station is adjacent to a large cabinet for flush-mounted electronics, and a slide-away cushion offers comfortable seating while plotting.

The topsides are done in typical Island Packet fashion: the recessed foredeck with protective bulwarks, premium non-skid deck, and continuous cabintop handrails enhance safety while the full length cockpit, cavernous sail locker and famous rack and

pinion steering provide convenience, comfort and reliability. The yacht's clean entry, long waterline and generous sailplan should provide the owner with an easily handled yacht with excellent performance and seakeeping qualities. The new 32 is well suited to carry on the tradition of excellence begun by Island Packet Yachts ten years ago.
