Islander Bahama 24

Adventure dead ahead... Sail Islander Bahama 24

Adventure is everywhere . . . it waits for you around every bend in the coastline . . . it looks for you wherever the four winds blow. And love for the sea and an Islander Bahama 24 are all you need to make your rendezvous with adventure! Set a course for that certain island you've always wanted to see . . . or just cruise along gently and let the wind in the sails do all the talking. The new Islander Bahama 24 is the first luxury boat in the low price field. By luxury, we mean a roomy cockpit, huge cabin, forward stateroom, private walk-in head, sleeping accommodations for a family of 4. Wondering what it's like to handle the new Islander Bahama 24? Wonder no more. Take the tiller yourself and point the bow toward adventure!

STANDARD BOAT INCLUDES:

Molded fiberglass hull with simulated planking, fiberglass deck, three hatches, four full length single berths, beautiful glassed mahogany headliner, molded toe rail, with choice of colors permanently molded in.

Aluminum spar and boom with all necessary hardware for working sails.

Sliding gooseneck and downhaul, roller reefing, stainless steel required deck fittings for working sails. Running rigging with $\frac{3}{8}$ " main sheet, jib sheet and halyards.

Bronze mooring cleats and chocks fore and aft.

Interior woodwork in beautiful mahogany, with large storage lockers under all berths, especially designed for those who enjoy comfort.

Large self-bailing cockpit, outboard motor bracket or well, ash laminated tiller. Easily trailered.

Design and Specifications are subject to change without notice or obligation.

DESIGN

J. H. McGLASSON
