Sailing can be the world's best family sport. The key is a boat that holds the attention and interest of sailors, young and old. From thrilling 15 knot spinnaker rides to simple relaxed sunset cruises with mainsail only, J/80 does it all. SAILING WORLD MAGAZINE rated J/80 as safer, less intimidating, easier to handle, and better suited for sailing offshore than other modern sport boats tested. An active association and bi-annual newsletter promote social activities, tuning tips and advice, as well as regatta schedules for all J/80 sailors. Join hundreds of others worldwide who are discovering how well J/80 fulfills their dream: a single boat which combines simplicity of operation, confidence building stability and sparkling performance in an affordable, low maintenance and trailerable package.

J/80 is the FAMILY ROCKETSHIP.
