

MELGES X BOAT

Beginner's excitement: A Melges training boat

Learning the basics is one thing, but give the beginner a taste of victory and a competitor is born.

Specially built for the future racer, the Melges X is a durable 16-foot, 2-sail training boat that crews 2.

Strong fiberglass laminate hull – like all Melges boats – built to last.

Clean lines, sharp chines and a balanced hull sail the novice crew through chop safely.

Flat mid-section and straight run-off glides young sailors through smooth water.

Standardized anodized Melges rig for generations of learning.

Harken hardware – standard on Melges boats – for added ease and confidence while learning sail trim and boat handling.

Remember your first sailboat? They'll never forget you gave them a Melges X.
