

## **LANCER YACHTS**

**1982 LANCER 37**

**LANCER YACHTS**

## **LANCER 37**

The Lancer 37 is a development of the highly successful, Herb David designed, Lancer 39 which has proven herself to be a fast, seaworthy and comfortable vessel.

This unique hull form offers outstanding performance under sail, when compared to other cruising types. The Lancer 37's long water line length, high sail area to displacement ratio, modern N.A.C.A. shaped keel, and a high stability factor (1220 lbs. of righting moment at 1° angle of heel) contribute greatly to her all around sailing performance. Speeds under power with a single diesel engine, will be in the 7 to 8 knot range, up to about 10% faster than other cruising yachts.

Sail handling has been simplified to the point where you can handle all halyards, reef lines for both reefs, boom vang, boom topping lift, and main sheet from the cockpit, using custom Schaefer designed line stoppers and a standard Lewmar #30 self-tailing winch. You'll never again have to leave the safety of the cockpit to reef the mainsail.

The cockpit is quite roomy and includes a pedestal steerer with engine controls, a 5" compass with binnacle and pedestal guard, a teak fold-up cockpit table and an engine access hatch which measures about 3' x 4', affording you walk around space in the engine room.

The interior accommodation plan is also quite unique for a sailing yacht of this size — a very large owner's cabin is located forward. The cabin takes up the full width of the yacht and includes a queen size berth, 2 hanging lockers, drawers and is adjacent to a head compartment with a separate shower stall.

Another interesting and unique design feature is the separate navigators area which includes a full size sit down chart table with chart stowage under, a 6'8" long quarter berth and electrical panel.

The "U" shaped galley is a delight. Over 25 square feet of counter space provide the room to prepare meals for a large crew for an extended voyage. An electric refrigerator with freezer compartment is standard as is a propane stainless steel gimballed stove with oven, hot and cold pressure water, a deep double stainless steel sink and a 5 plus cubic foot top load ice box that can be converted into a deep freeze.

The main salon includes two transom berths that convert to two doubles, a folding teak table, 2 book case alcoves with hull ports — so that you can see out when seated in the salon and a teak and holly sole.

All in all, the Lancer 37 should be an outstanding cruising yacht both under power and sail. Her fast, seaworthy hull and the ability to power in the 7 to 8 knot area encompasses performance parameters that few, if any cruising yachts can match.

SALON LOOKING AFT

INTERIOR

**LANCER YACHTS**

**1982 LANCER 37  
STANDARD EQUIPMENT  
\$98,178**

**HULL**

- Fiberglass, with hand laminated Woven Roving - Full Balsa Core Sandwich Construction
- Standard Colors - White Hull - Red, White & Blue Boot Top - Blue Sheer Stripe

**KEEL**

- 4000 lbs. of Internal Ballast Bonded Securely in Place.

**RUDDER**

- Schedule 80 S/S Rudder Shaft with Integral Steel Backbone - Surrounded with High Density Foam - Fiberglass Covered.

**DECK**

- One Piece Fiberglass - Plywood and Balsa Core Reinforced
- Molded Non-Skid Surfaces
- Large Self Draining Cockpit
- Teak Main Companionway Door & Hatch
- Sliding "Skylight Type" Main Hatch with Seahood
- Locking Forward Cabin & Amidships "Skylight Type" Aluminum Frame Hatches
- Bow Roller for Anchor & Mooring Bit
- Foredock Self Draining Anchor & Storage Locker

**STANDING AND RUNNING RIGGING**

- Aluminum Boom & Mast with Air Foil Spreaders
- Internal "Gib Hook Type" Tangs for Standing Rigging
- Stainless Steel Chain Plates and Stem Fitting
- S/S 1x19 Wire with Swedged Fittings Standing Rigging
- Prestretched Dacron Running Rigging with Spliced on Fittings
- Internal Main & Jib Halyards
- Ball Bearing Main Sheet Traveler with Control Lines
- Split Back Stay
- Baked White Polyester Coating on Mast & Boom
- A "Super Boom" with an Internal Outhaul and an Internal Reefing System for Two Sets of Reef Points
- S/S Boom Vang Bails on Boom & Base of Mast & Boom Vang Tackle
- All Halyards, Main Sheet, Boom Vang, Reefing Lines for Both Reefs, and Main Boom Topping Lift are Led Aft to a Custom 10 Gang Line Stopper and a Self-Trailing #30 Lewmar Winch with Handle

**ELECTRICAL**

- 4-12 Volt Marine Batteries with Perko Selector Switch to Isolate Batteries into Two Banks
- Interior Lighting (12 Volt)
- Electric Marine Head & Holding Tank with an Electric Off Shore Pump Out System
- 110 Volt Electrical System - Includes 10 Duplex Outlets, 20 AMP Battery Charger, Marine Deck Connector and Circuit Breaker
- One Electric Bilge Pump with Automatic Feature
- International Navigation Lights
- Engine Room Lights
- Hot and Cold Pressure Water System

**TANKAGE (approximate)**

- One 60 Gallon Fuel Tank (Below Water Line)
- One 140 Gallon Water Tank

**INTERIOR**

- Owners Cabin - Queen Size Double Berth, with 5" Cushion,

2 Hanging Lockers with Cane Doors, 4 Cedar Lined Drawers, Teak Ceilings (Hull Covering) Teak and Holley Sole; 2 Bookcase Alcoves, Four Opening Ports with Screens, "Sky Light" Ventilating Hatch, Full Length Mirror

- Head Compartment - Opening Port with Screen, Vanity with Mirror, S/S Sink and Drawers, Separate Stall Shower Compartment with Hot & Cold Water - Shower Drain Pump and Seat
- Galley - Norcold 110 & 12 Volt Refrigerator with Freezer Compartment, S/S Gimbaled Stove with Oven-Propane System with Two Aluminum Tanks and Solonoid Safety Shut Off System, Deep Double S/S Sink, Pressure Hot & Cold Water, Opening Ports with Screens, Sliding Storage Lockers, Drawers, Teak & Holley Sole, Top Load 5 Cubic Foot Ice Box with Electric Drain Pump.
- Main Salon - Two Berths that Convert into Doubles, Two Bookcase Alcoves with Hull Ports, Hanging Locker, Plush 5" Color Coordinated Cabin Cushions, Upholstered Back Rests with Storage Lockers Behind, Teak & Holley Sole, Solid Teak Table Measuring about 4'x5' with Leaves Up
- Navigation Area - Full Size Sit Down Chart Table with Chart Storage Under, Electrical Panel and Electronics Shelf
- General - All Teak Interior, Beautifully Crafted Cane Panel Cabinet Doors for Superior Ventilation, Upholstered Headliner, Aromatic Cedar Lined Drawers in Galley, Head Compartment and Owners Cabin, Teak & Holley Sole Throughout, 14 Opening Ports with Screens

**EXTERIOR**

- Exterior Wood Trim and Handrails of Oiled Teak
- Two Bow, 2 Stern and 2 Amidships Mooring Cleats
- Full Length Anodized Aluminum Toerail
- Double Bow and Stern Pulpits and Double Life Lines with Gates Port and Starboard
- Flip Down Boarding Ladder in Stern Pulpit
- Inboard Genoa Tracks with Wide Sheave Blocks
- Pedestal Wheel Steering System with S/S Wheel, Danforth 5" Compass with Binnacle, Engine Controls, Pedestal Guard, and a Solid Teak Fold-Up Cockpit Table
- Tinted Translucent Forward, Amidships and Main Companionway Hatches
- Hasp on Main Hatch for Pad Lock
- Main Sail with Two Sets of Reef Points, Fiberglass Battens, Leach Line, Cunningham - Draft Stripes and Windowed Tell Tails
- 120% Genoa with Windowed Tell Tails, Leach Line, Draft Stripes and Sail Bag
- 2 Cockpit Storage Lockers with Sliding Covers
- 1 Cockpit Sea Hatch
- Flush Sliding Transparent Cover Over Cockpit Engine Instrument Panel
