

LANCER YACHTS

1982 LANCER 25 MK V

LANCER YACHTS

LANCER 25 MK V

The Lancer 25 MK V is a rare combination of beauty, roominess and sailing performance in a trailerable yacht. Ingenious use of interior space gives this 25 footer standing head room without the use of ungainly and unseaworthy "pop tops."

The Lancer 25 has a shallow-draft fixed keel underbody with a permanently mounted inboard rudder. There are no center boards, swing keels, flip up rudders, etc. to complicate your life. The Lancer 25 tracks well, steers easily and sails to windward as well as many deep keel yachts. She was designed by W. Shad Turner, a bright young yacht designer noted for his custom and production racing designs. Shad has endowed the Lancer 25 with a fine entry, carefully faired aft quarters and a thoroughly researched shallow-draft keel design. The net result is a hull that points well, is fast, yet stable, and is trailer launchable from any good ramp. The Lancer 25 sails where others must retract their keels.

The quality of the interior finish and detail is outstanding when compared to other craft of about this size. The bulkheads are "real" teak, not a "photo wood" imitation. The cabinet doors are teak with cane panels for beauty and ventilation. The teak & holley sole is standard and there is a custom tailored soft headliner with foam insulation to eliminate the condensation problem associated with most fiberglass headliners.

The Lancer 25 MK V's modern new fractional rig with its standard internal reefing system for two reefs and internal outhaul is highly versatile. The boat will balance and sail nicely under main alone for "nonchalant" cruising and has smallish easy to handle head sails that add the extra power for outstanding sailing performance.

All in all the Lancer 25 with its fixed keel for safety and stability, its new powerful fractional rig, the quality of interior finish, and her sleek low racy good looks make the Lancer 25 an outstanding, well executed design.

1982 LANCER 25 MK V

LANCER YACHTS

**1982 LANCER 25 MK V
STANDARD EQUIPMENT**

\$14,957.00

HULL

- Fiberglass, with Hand Laminated Woven Roving
- Standard Colors - White Hull - Red, White and Blue Boot Top - Blue Sheer Stripe

KEEL

- 1300 Lbs. of Internal Ballast Bonded Securely in Place

RUDDER

- S/S Rudder Shaft with Integral Steel Backbone - Surrounded with High Density Foam - Fiberglass Covered.

DECK

- One Piece Fiberglass - Plywood and Balsa Core Reinforced
- Molded Non Skid Surfaces
- Large Self-Draining Cockpit
- Lazarette Hatch
- Sliding Main Hatch with Seahood
- Lockable Flush Fitting Forward Hatch
- Foredock Self-Draining Anchor Locker

STANDING & RUNNING RIGGING

- Aluminum Mast, Boom & Spreaders - Fractional Rig
- S/S Mast Tangs - Chain Plates & Stem Fitting
- S/S 1x19 Wire with Swedged Fittings (Standing)
- Main & Jib Halyards - Prestretched Dacron with Spliced-on Fittings
- Ball Bearing Main Sheet Traveler with Control Lines
- Main & Jib Sheets - Yacht Braid
- Split Back Stay
- A "Super Boom" with an Internal Outhaul and an Internal Jiffy Reefing System for Two Sets of Reef Points
- Baked White Polyester Coating on Mast & Boom
- S/S Boom Vang Bails on Boom & Base of Mast

DIMENSIONS

Length Overall	24'8"
Length Water Line	20'1"
Beam	8'0"
Draft	3'0"
Displacement	3,600 lbs.
Ballast	1,300 lbs.
Head Room	Standing
Bridge Clearance	36'0"
Designer	W. Shad Turner

ELECTRICAL

- 12 Volt Deep Discharge Marine Battery with Fused Panel
- 4 Interior Lights
- International Navigation Lights

TANKAGE

- 15 Gallon Water Tank with Deck Fill

INTERIOR

- Teak & Holley Sole in Main Cabin
- Beautifully Crafted Cane Panel Cabinet Doors for Superior Ventilation
- Enclosed Head Compartment with Divider Curtain, Two Vanity Cabinets & Hanging Locker
- Main Cabin - Single Berths, Port & Starboard
