1982 LANCER 29 MK III

LANCER YACHTS

LANCER 29 MK III

The Lancer 29 MK III is a development of the highly successful C & C (Cuthbertson & Cassian) designed Lancer 30. She is available with either inboard or outboard power. The unique outboard well is constructed in such a way that when the engine is in the tilt-lock position that the entire lower unit is clear of the water thus eliminating propeller drag. The well is self-bailing and vapor tight. Engine controls are on the standard pedestal wheel steerer.

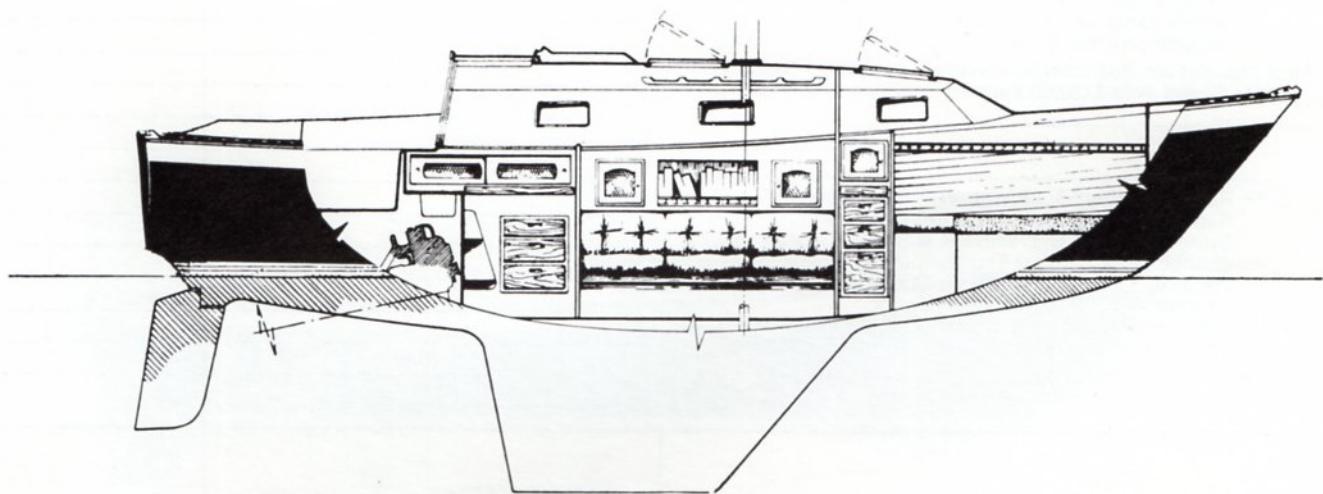

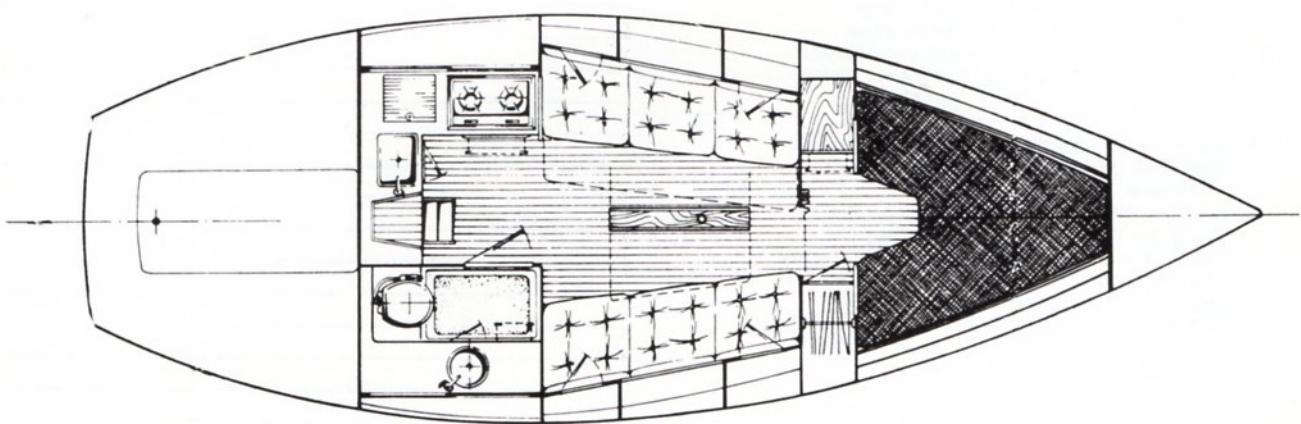

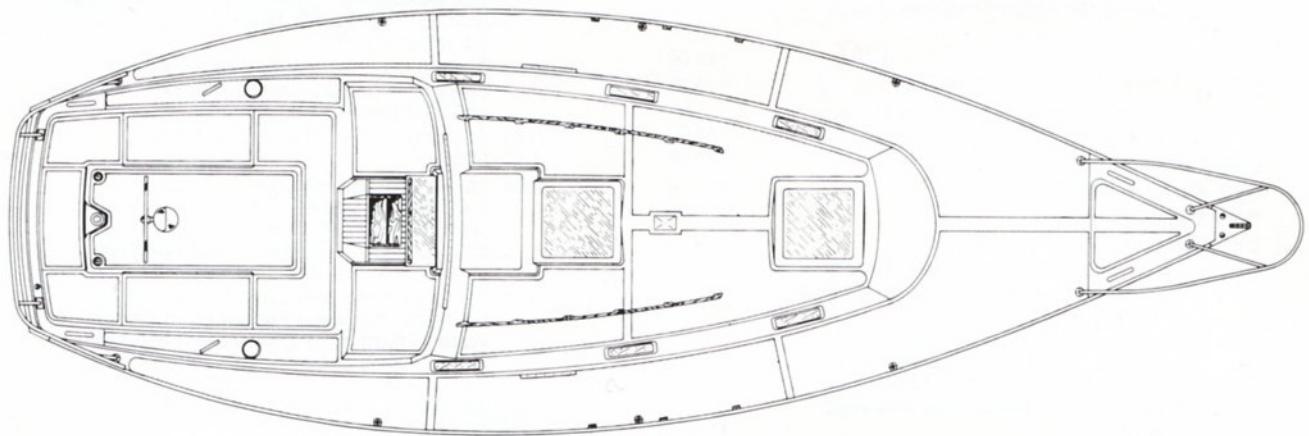

The designers, remembering that boats are raced and cruised by comfort accustomed people, have designed a yacht beautifully blending form and function. No matter what the size of yacht that C & C designs, they consistently come up with outstanding performance coupled with good looks and livable accommodations. The Lancer 29 is no exception.

The interior arrangement for five is quite unique and interesting. The head compartment is aft, convenient to the cockpit. This makes it possible to have a very spacious main salon with a standard queen berth and a forward cabin large enough to have a functional bureau with drawers and a hanging locker.

Teak bulkheads, cane panel locker doors, cedar lined drawers, a solid teak drop leaf table, and a custom tailored soft headliner are just a few of the quality features that will surprise and delight you upon your close inspection.

The strong high aspect ratio rig with a large powerful fore-triangle make the Lancer 29 an outstanding performer both on and off the wind.

C & C design coupled with good looks and a beautiful custom quality teak interior make the Lancer 29 MK III an outstanding value.

1982 LANCER 29 MK III

1982 LANCER 29 MK III STANDARD EQUIPMENT

\$31,494.00

HULL

- Fiberglass With Hand Laminated Woven Roving
- Standard Colors - White Hull - Red, White & Blue Boot Top - Blue Sheer Stripe

KEEL

- 3000 lbs. of Internal Ballast Bonded Securely in Place

RUDDER

- Schedule 80 S/S Rudder Shaft With Integral Steel Backbone - Surrounded With High Density Foam, Fiberglass Covered

DECK

- One Piece Fiberglass - Plywood & Balsa Core Reinforced
- Molded Non Skid Surfaces
- Large Self-Draining Cockpit
- Sliding "Skylight Type" Main Hatch With Seahood
