

LANCER YACHTS

1982 LANCER 30 MK V

LANCER 30 MK-V

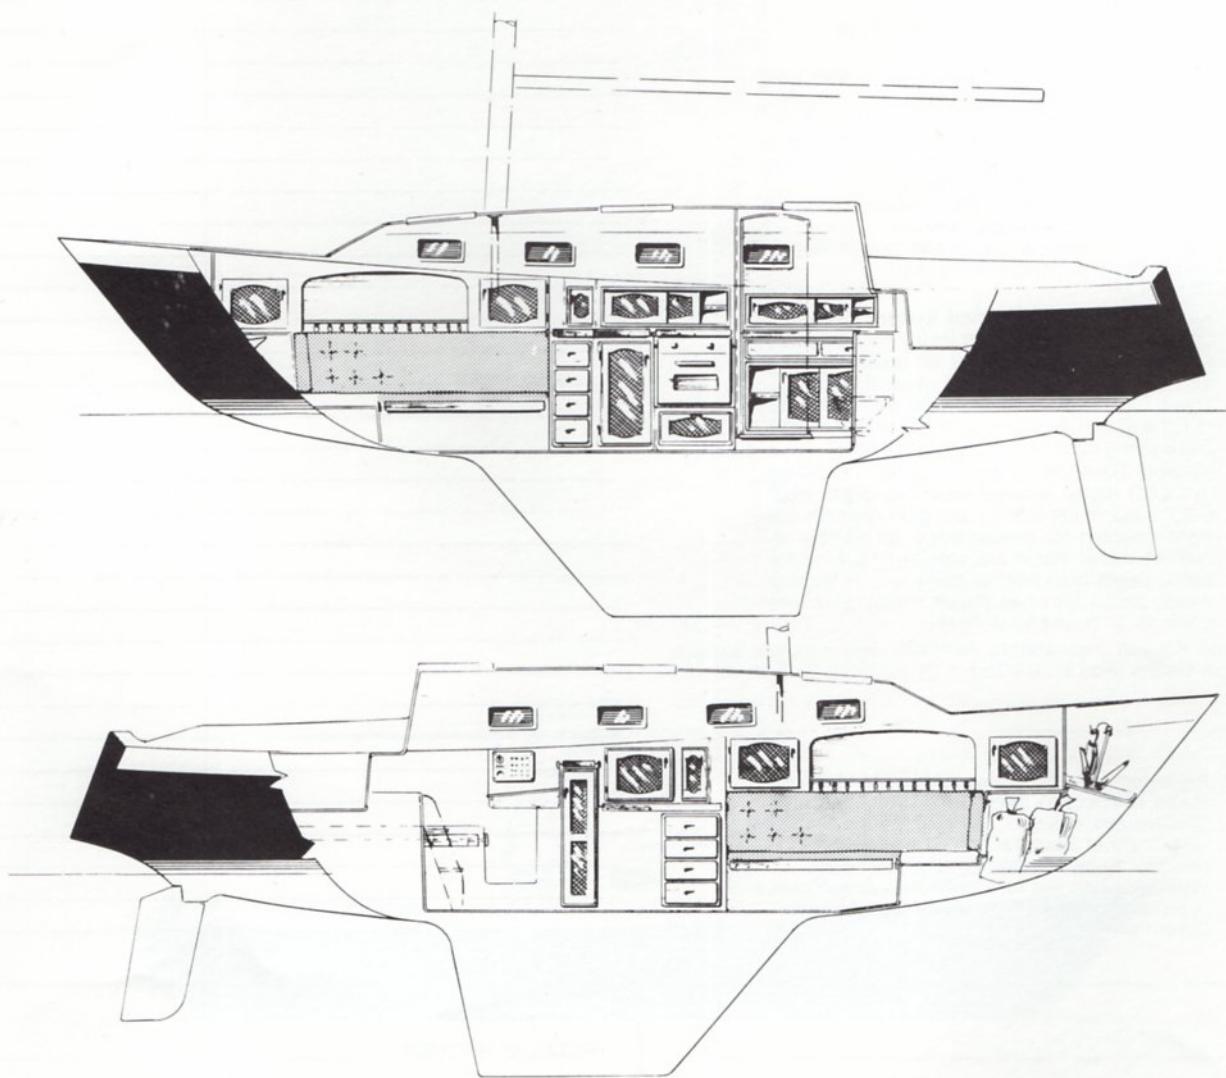

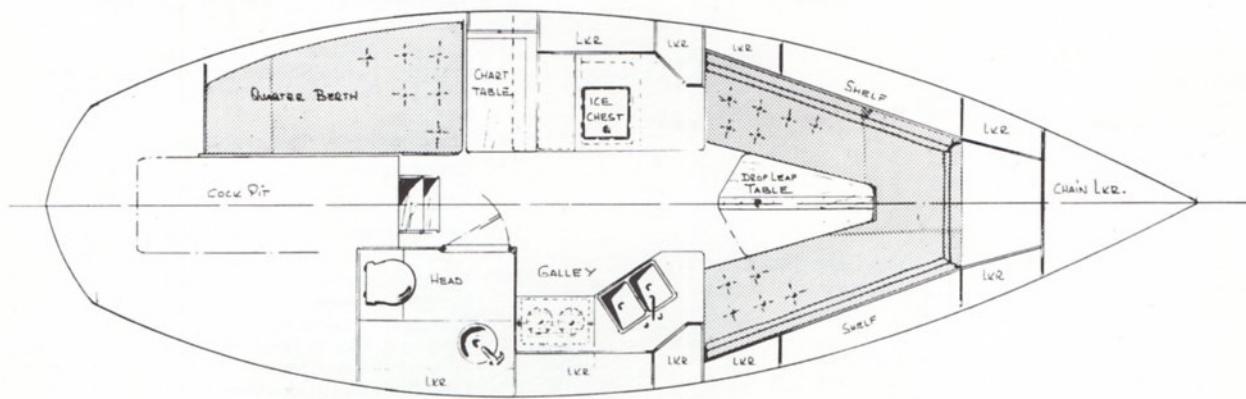

The C & C designed Lancer 30 MK-V has a new Bruce Farr inspired non-masthead swept spreader, bendy rig. The new rig and sail plan produces a much higher sail area to displacement ratio and yet is easier and more fun to sail because it has no complicated runners, easy to handle, smallish headsails and a mainsail large enough to drive the boat by itself in complete control for "nonchalant" cruising. A slightly higher fore-triangle height compared to mainsail luff will give more direct control of forestay sage and will make backstay adjustments less critical. Standard internal halyards, internal jiffy reefing system for two reefs and an internal outhaul complete the new fractional rig.

The newly completed interior design is a development of the highly successful and unique Lancer 36 cruising interior layout. The interior features 16 linear feet of plush upholstered lounge area for entertaining. The lounge can be used for either 2 large single berths 6'10" long or can be converted to two 6'10" long double berths. Cane panel locker doors, a solid teak drop-leaf table, two 5' long book case alcoves, and fine teak joiner work make for a roomy, inviting social area.

The galley has approximately 16 square feet of counter space, an 8 cubic foot ice box (refrigeration option) lots of locker and drawer (6) space, a gimballed stove with oven and cutting board top, and a double stainless steel sink.

The navigation area has a full size (2' x 3') sit-down chart table and a double quarter berth 6'10" long. The enclosed head compartment is aft, convenient to the cockpit and features a bank of drawers, stainless steel sink, sliding cane panel lockers, an opening port with screen and a molded shower pan with drain.

C & C design with a Bruce Farr inspired high power ratio fractional rig, an incredibly spacious main salon that rivals many 35 footers for size and elegance, a sit-down full size chart table, and a fabulous galley make the Lancer 30 MK-V an outstanding and unique value.

1982 LANCER 30 MK V

1982 LANCER 30 MK V

Standard Equipment

\$34,623.00

HULL

- Fiberglass with Hand Laminated Woven Roving
- Standard Colors - White Hull - Red, White & Blue Boot Top - Blue Sheer Stripe.

KEEL

- 3000 lbs. of Internal Ballast Bonded Securely in Place

RUDDER

- Schedule 80 S/S Rudder Shaft With Integral Steel Backbone - surrounded with High Density Foam Fiberglass covered.

DECK

- One Piece Fiberglass - Plywood & Balsa Core Reinforced
- Molded Non Skid Surfaces
- Large Self-Draining Cockpit
- Sliding "Skylight Type" Main Hatch With Seahood
- Locking Forward "Skylight Type" Aluminum Frame Hatch
- Foredock Self-Draining Anchor Locker

STANDING & RUNNING RIGGING

- Non Mast Head Fractional Rig with Internal Main & Jib Halyards.
- Aluminum Mast, Boom & Air Foil Spreaders
- S/S Mast Tangs - Chain Plates and Stem Fitting
- S/S 1x19 Wire With Swedged Fittings (standing)
- Main & Jib Halyards - Prestretched Dacron with Spliced-On Fittings
- Ball Bearing Main Sheet Traveler with Control Lines
- Main & Jib Sheets - Yacht Braid
- Split Back Stay
- A "Super Boom" with an Internal Outhaul and an Internal Jiffy Reefing System for Two Sets of Reef Points
- Baked White Polyester Coating on Mast & Boom
- S/S Boom Vang Bails on Boom & Base of Mast

DIMENSIONS

Length Overall	29'6"
Length Water Line	24'0"
Beam	10'0"
Draft-Standard Keel	5'2"
Draft Shoal Draft Keel	4'2"
Displacement	8200 lbs.
Keel	3000 lbs.
Fuel Tank	24 Gal.
Bridge Clearance	45'0"
Designer	C & C

ELECTRICAL

- 12 Volt Die Hard Marine Battery with Fused Panel
- 10 Interior Lights
- International Navigation Lights
- Engine Room Light

TANKAGE

- 24 Gallon Fresh Water Tank

INTERIOR

- Main Cabin Area - four Cane Door Lockers, two book case alcoves, two berths (that convert to doubles), Sail Storage Locker, Plush 5" pillow type cushions, upholstered back rest cushions with storage lockers behind, solid Teak Drop Leaf Table.
- Navigation Station - Full-size Sit Down Chart Table with Chart Storage Under - Electronic Shelf & Panel - Chart Light-double Quarter Berth.
- All Teak Interior
- Beautifully Crafted Cane Panel Cabinet Doors for Superior Ventilation
- Teak Companionway Interior Handrails
- Upholstered Headliner
- Fully Enclosed Head Compartment with Teak Door, Drawers, Sliding Locker & S/S Sink
- Complete Galley with Deep Double S/S Sink, Large Foam Insulated Ice Box, Teak Dish Lockers, Drawers, Teak Cutting Board, Fresh Water Pump & Gimballed Stove with Oven.
- Teak Ceilings (Hull Covering) Navigators Quarter Berth & Main Cabin
- Aromatic Cedar Lined Drawers in Galley & Head.
- Hanging Locker with Cane Door

EXTERIOR

- Full Length Anodized Aluminum Toerail
- Inboard Genoa Track with Surflite Wide Sheave Blocks
- Inboard Upper & Lower Chain Plates
- Pedestal Wheel Steering System with S/S Wheel, Danforth Corsair Compass & Engine Controls
- Tinted, Translucent Forward & Main Hatch
- Hasp on Main Hatch for Padlock
- Bow Pulpit
- Stern Pulpit
- Lifelines & Stanchions
- Dacron Mainsail with Two Sets of Reef Points, Fiberglass Battens, Leach Line and Draft Stripe
- Dacron #4 Jib with Windowed Tell-Tails, Leach Line, Draft Stripe and Sail Bag
- Two Opening Ports with Screens - Head & Navigation Area
