Introduction

From the Commodore:

Here's your 1993 MC Scow Year Book. We've done our best to update all information while including the new trophies, 1992 Regatta Winners, and 1992 National Standings using our new formula.

1992 was a very exciting year in MC sailing:

- There were 31 MC regattas from Florida to Minnesota, and from Georgia to Nebraska
- We had over 400 dues-paying MC sailors for 1992
- There are now 44 chartered fleets, of which 34 are very active
- The first sanctioned Masters regatta was held with great success at Lake Beulah
- We set a record of 105 boats at the Nationals at White Lake in August
- US SAILING'S Championship of Champions was sailed in MCs on Lake Geneva in October

And we anticipate even more MC excitement in 1993!

Two things I'd like to suggest:

1. The Year Book makes an excellent promotional piece for you to help sailors at your yacht club make up their minds to get into the fastest growing one-design sailboat.
2. You'll be able to use this year's book to locate and write or call over 500 active MC sailors.
3. You can also use this new year book along with the MC News letters to get other clubs interested in starting an MC fleet.

If you have any questions or suggestions concerning IMCCSRA, please call me, or the Executive Secretary, Curt Bradley. I am looking forward to meeting you at a regatta in 1993.

Douglas Stryker, Commodore
Fleet 37, Powers Lake Yacht Club, WI

MC Sailors

This roster contains all the MC sailors we currently have identified. Some information has come from lists provided several years ago. If you can help update this list in any way, please contact the Executive Secretary. Numbers of sailors per fleet may differ from those shown on pages 6-9.

Sailors not yet identified with a fleet are listed by Zip Code (state) following the fleet lists. Fleet Captains can take a look at these unattached members with a view to contacting them for membership in their fleet.

Those sailors without a year in the Dues Paid column have not, according to our records, been members of the association. Their names have been added from regatta reports or queries.
