AMF | ALCORT SAILBOATS are members of the AMF family of fine marine products that include Hatteras Yachts, Slickcraft Power boats, and Crestliner Power boats.

FEATURES

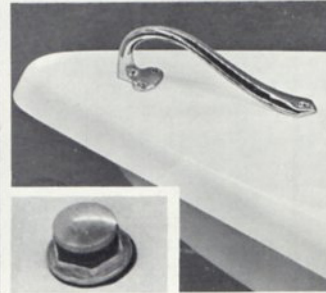

Foam blocks like these are bonded to the inner hull to make it virtually unsinkable.

Smooth-working kick up rudder with spring action automatically lifts blade when beaching.

In event of a capsize, boat is usually easily righted by standing on board and pulling on edge of deck.

Self bailer and bow handle are convenient and useful standard equipment items.

AMF, Alcort Division, South Leonard St., Waterbury, Ct. 06720 • AMF International, 261 Madison Ave., N. Y. 10016

For the young and young-in-spirit, it's Minifish. More fun and excitement is packed into her all-fiberglass eleven-foot-nine hull than you'll find in most boats twice her size, or weight. She's quality, too. AMF Alcort quality all the way. You can see it in her gleaming finish. Her fine fittings. Genuine Dacron sail. Performance-shaped daggerboard and rudder. Best of all, she's easy-to-sail. Even for beginners. Her simple rig with a single sail and uncomplicated lines and fittings makes her a joy to handle. Yet she's a challenge, too. A spirited little lady that can show her heels to a lot of the competition. Better pick out your favorite sail and striping combo from the gay group that includes orange, lime, shocking pink and that increasingly popular combination, red-white-blue.
