

# Moody 471 Custom

47'

**T**he Moody 471 Custom, designed by Bill Dixon as a genuine fast cruising yacht for the serious sailor of the 1980s, is the perfect expression of traditional skills and modern boatbuilding technology.

The 471's supreme sailing performance provides all you would expect of a long-distance cruising yacht and more. She is sleek, fast, and powerful, yet she is reassuringly stable, comfortable, and easily handled by a crew of two. Her quality construction and finish will withstand the most extreme weather—even thick ice—and will emerge unscathed in pristine boat show condition.

Moody quality is more than just skin deep. The secure, fully equipped center cockpit with its hand laid-up teak decks and seating provides a fine vantage point with excellent visibility for the helmsman.

The standard interior layout comfortably sleeps six adults in three separate cabins, including a luxurious owner's stateroom aft. Each cabin is fully carpeted and beautifully finished in teak.

This layout is not fixed however. We pride ourselves on our flexibility and eagerness to outfit the 471 to the owner's exact specification. The same is true of equipment. While the standard specification is comprehensive, we will happily incorporate a customer's own choice of equipment.

The Moody 471 is a real pleasure to sail. Nothing is overlooked or compromised. With a recessed transom bathing platform, she is rigged as a sloop with a fixed fin keel. She may also be rigged as a cutter or ketch with lifting keel.

L.O.A.	46' 6"
L.W.L.	38' 9"
Beam	14' 8"
Draft	6' 9"
Ballast	11,000 lbs.
Displacement	27,500 lbs.
Sail Area:	
100% Foretriangle	504 sq. ft.
Main	425 sq. ft.
