

Niagara 35

35'

Traditional appearance with proper sheer and balanced ends, the Niagara 35 is pleasing to the eye. Uncompromised in combining classic good looks and up-to-date performance, the Niagara 35 is in more demand today than ever before. In series production for a decade, this gratifying design is now offered in the Encore accommodation plan as well as the Mark I interior layout.

The Encore features a very large, open main cabin, a private forward stateroom with adjoining head and stall shower, wrap-around aft galley, and a special chart table. This is crafted with the finest materials and finished in satin varnished teak. The interior of the Niagara 35

reflects the exterior quality and appearance.
