

Nordic 34

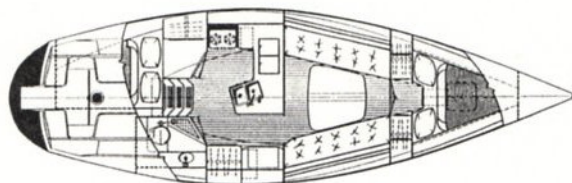

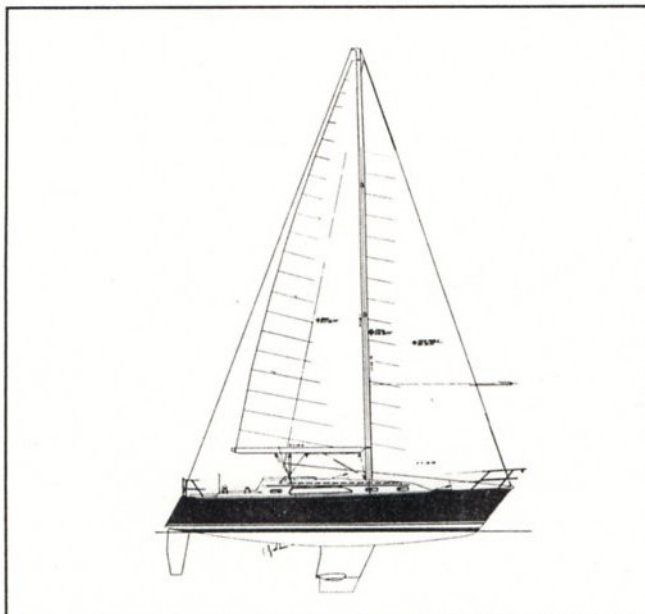

34'

From the board of noted yacht designer Robert H. Perry emerges the newest Nordic... the Nordic 34.

Designed, constructed, and detailed to the same level of quality as the world-respected Nordic 40 and 44, with a keen eye for performance, balanced beautifully, tracking superbly. Choose the standard deep fin-keel or the shoal-draft wing keel without compromise of performance.

The Nordic 34's interior is a study in eye-pleasing decor and comfort. Two private staterooms—the aft one with a 7-foot double berth. A large, complete galley and comfortable saloon for dining and lounging six, Nordic quality is obvious throughout.

On deck is all of the detailing you would expect in a Nordic. From the contoured cockpit with unique transom door for easy dinghy and swimming access to the one

piece deck with sea hood and bosses molded integral.

The new Nordic 34... the latest example of the Nordic tradition of excellence!
