

Nordic 40SE

40'

The objective: create a world class yacht of unmatched value. The new Nordic 40SE bears eloquent testimony to how precisely those objectives were met—without compromise.

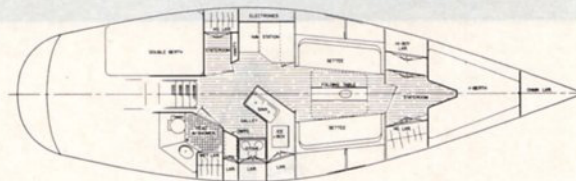

To create the Standard Edition series, Nordic began with one of noted yacht designer Robert H. Perry's favorite designs, the Nordic 40. Then Nordic created a new standard interior and decor, open light, and spacious, with molded head aft, large gourmet galley, full offshore nav station, and two staterooms with 7-foot double berths.

Still present are all of the quality, speed, beauty, and expert craftsmanship the yachting world has come to expect of Nordic in a package that is now more attainable.

The Nordic 40SE is detailed like a custom yacht and priced like a production boat.

L.O.A.	39' 9"
