O'DAY 23

*GENERAL

No specifications to be altered without written approval from O'Day.

Window material .020 thickness equal to Howe and Bainbridge Plastipane.

Warranty number to be printed on each sail.

Sail label to O'Day design.

- Sail Bags -
- a. All white with O'Day label on outside. Shipped in a plastic bag to prevent sails from getting dirty.
 - b. Main and Jib in separate bags and marked accordingly. Spinnaker and Genoa each in separate bags and each labelled accordingly. Genoa bag gives Genoa size.
 - c. Bag is synthetic with dacron drawstring large enough to hold sail when not folded.

All measurements will be made using the straight line extension method (apex) with the point of measurement taken where the two lines cross, unless the class rules specifically say to the contrary. All measurements +0 -2".
