

O'Day 322

32'

The beautiful, spacious interior, done in modern, breakthrough color schemes, has been specially designed for today's lifestyles. A large U-shaped dinette plus facing settee provides plenty of room for entertaining or dining.

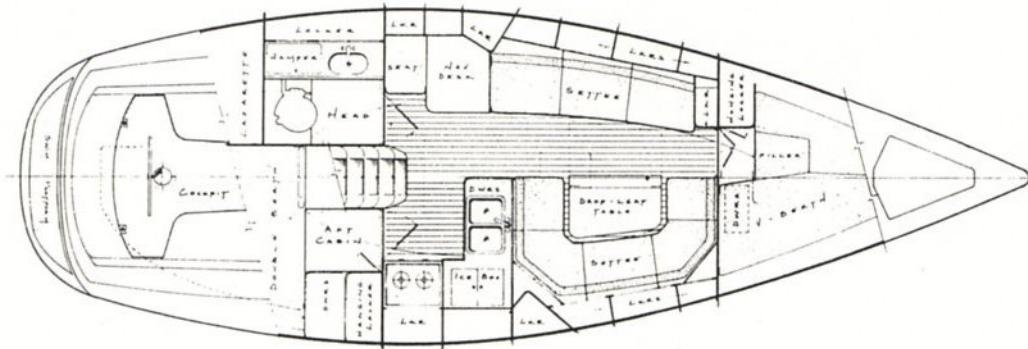

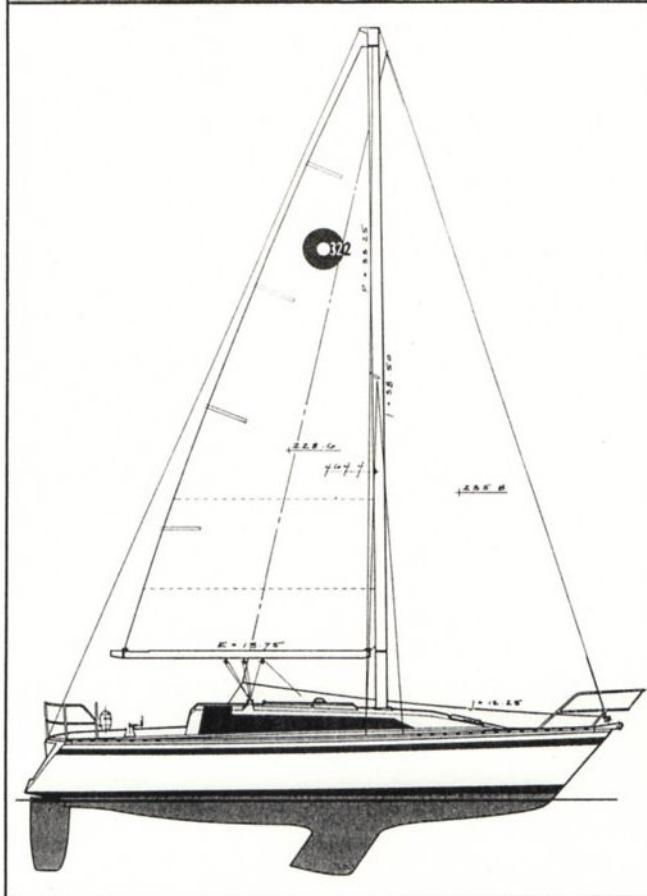

Adjacent is a generous, fully equipped galley with a two-burner propane stove and oven, double stainless steel sinks, large icebox, four drawers, and multiple lockers above and below the countertop.

Opposite the galley is a permanent chart table with room for charts and space for electronics in an angled compartment situated for easy viewing.

The generously proportioned head is aft and to port. The laminated bulkheads and fiberglass vanity, including a deep sink and hamper, are easy to clean and finished in light colors.

A capacious stateroom is located aft. Inside is a large double berth, a bureau, and hanging locker. There is plenty of room for changing clothes while standing.

Forward of the main saloon, a V-berth stateroom contains a double berth, hanging lockers, and drawers. These two totally separate staterooms provide complete and comfortable privacy for two couples. Additional guests can sleep on the large main saloon settees.

The hull is designed for good all-around performance. The wing keel is from Hydro-keel, incorporating state-of-the-art foils for both the vertical fin and horizontal wings. The Hydro-keel provides stability and upwind performance superior to a conventional deep-fin keel of 18 inches greater draft. The result is excellent performance and speed with a draft of just 4' 2", opening up miles of sailing areas inaccessible to deep keels.

The list of standard equipment is complete, from the 18-horsepower Yanmar diesel, dual water tanks, and 110-volt shorepower system, to self-tailing winches and headsail-furling gear. The O'Day 322 represents an exceptional value at an affordable price.

L.O.A. 32' 2"
 L.W.L. 26' 8"
 Beam 10' 8"
 Draft 4' 2"
 Ballast 3,850 lbs.
