

Olson 25

25'

The Olson 25—a moderately light displacement boat, brings you the quality and performance that has made Olson famous. Whether it's cruising, or PHRF, MORC or one-design racing, the quality and performance are unsurpassed. Our care and attention to design detail are reflected in the dynamic configuration of her hull, the efficiency of her deck layout and rig, and the elegant simplicity of her functional interior. An interior which borders on enormous for a 25 foot boat makes that weekend cruise a real delight. Cruising or racing, this 25 is one the entire family will love.
