

# OMEGA 14

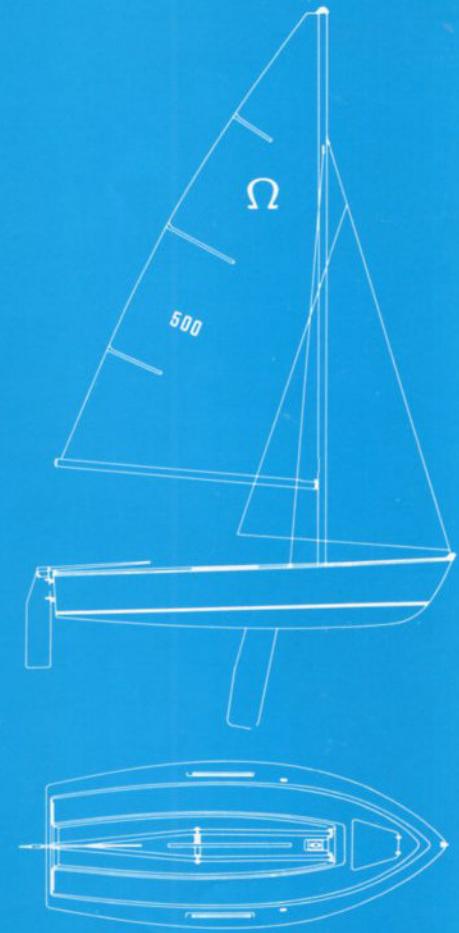

## The modern all around family boat

The Omega 14 has justly earned its position as one of the most accepted one design classes on the American boating scene. She is truly an all around family boat because she is safe, dry and easy to sail. Her stability and ease of handling makes her an ideal learning boat while the avid racing skipper will discover the Omega 14 is a very active racing class.

Weighing only 295 lbs. she is easily trailerable to go anywhere. Her light weight aluminum mast can easily be stepped by a youngster. She has a sturdy transom so you can use your Omega 14 with an outboard for fishing, exploring and having fun.

With the inexpensive Omega 14 you can now afford the fun life of boating starting today. The Omega 14 is manufactured from strong fiberglass and is virtually maintenance free. She enjoys the reputation and integrity of all fine Capri sailboats.

The Omega 14 can be ordered in a wide range of colors and combinations. Non-skid areas can be color or white to contrast with deck color. Hulls are white. Water line color is optional.
