

Pearson 37

37'

The new Pearson 37 is something quite exciting in yacht design. It represents a quantum leap forward in the level of comfort and ease of handling that today's cruising sailor can expect.

Here is a 37-footer that is a pure joy for two people to cruise due to her clean deck layout, fully battened mainsail, and optional self-tacking jib, but that is only half the story. Imagine a sailboat that is a pleasure to go below on. The 37's interior is bright and inviting with colored fabrics and plush carpeting throughout. The owner's stateroom is forward with an easily accessible island-type double berth. The main saloon is spacious and homey; it includes a standard entertainment center with a color tv, video cassette player, and complete four-speaker stereo system. There are even swivel chairs to sit in and the L-shaped dinette con-

verts to another large double berth for guests.

The galley is nicer than most kitchens with its spacious icebox, electric stove, microwave oven, and minibar. Opposite the galley aft is a roomy head with separate stall shower.

The Pearson 37 is for the boating enthusiast looking for a whole new level of comfort in a quality sailing yacht.
