

Ariel®

...family cruiser/spiritied MORC racer!

Ariel proves how big a little boat can be! ■ Inside she amazes you . . . with every inch of her 26 feet laid out to provide cruising comfort for four . . . storage everywhere . . . 5'-11" headroom! ■ She's a fine family cruiser for a low dollar investment. ■ Her overall beauty and outstanding performance reflect her Triton heritage. ■ She's stiff, able, fast . . . in any sea! ■ Exceptional below-decks "liveability" results from good planning, generous use of low maintenance Formica and teak interior trim, overhead liner, and a wide selection of warm "decorator" colors. ■ Here's functional beauty combined with the continuing savings of fiberglass construction. ■ Ariel is a smart buy for the skipper who knows value . . . and also wants a boat that knows her way to the winner's circle. ■ Check her MORC racing record and ask about her in the many active one-design associations. ■ Ariel!

Ariel ...big value for small investment!
