Looking for a basic sailboat that can bring the fun of sailing to the whole family?

Take a good look at Puffer: She's an agile, graceful, and beautifully designed sloop that proves that a safe, reliable boat can deliver a lot of sailing satisfaction. Puffer gives you the stability of a strong, wide hull, daysailing comfort for three adults, and the built-in safety of full-foam flotation.

Puffer also offers the promise of years of versatile boating for the whole family. Puffer can be sailed, rowed, or powered with a small outboard. It comes fully equipped at a remarkably low price. Mainsail and jib, anodized aluminum mast and boom, and oar locks are standard. So are the brightly varnished mahogany board and rudder, the stainless steel rigging, and the

gleaming-smooth fiberglass hull with accent stripe.

Puffer. Designed to turn your sailing daydreams into a pleasantly affordable reality.
