

Quest  
30

# Quest 30

*Racing sailors want an exciting boat to sail, cruising sailors want the next generation.*

*No picture or drawing can give you the real feel for space on the Quest 30. It's a thirty footer that has more to it than most forty footers.*

*The Quest 30 is the short-handed offshore one-design of the future.*

## The Quest 30 is not just a boat but also a great

*"It's exactly the boat I've been looking for. The perfect boat for anyone who wants to race hard."*

### Performance to win

*with a full crew or short handed*

- Clean easy lines
- Powerful rig
- Asymmetrical spinnaker with retractable carbon sprit
- Recessed roller furling system
- All halyards lead aft
- Twin rudders
- Deep high aspect bulb keel
- Movable water ballast (option)
- Carbon fiber rig (option)

### Comfort to cruise

*with a young family or another couple.*

- Simple and complete
- Sixfoot headroom
- Double berth aft
- Removable V-berth forward (option)
- Enclosed head aft
- Full galley
- Settee table (option)
- Maximum ondeck stowage
- Low maintenance

### Unquestionable Quality

*the finest in design, construction & materials*

- Built by The Holby Marine Co., Inc.
- Designed by Rodger Martin
- Resin Infused under license of TPI, Inc.
- Spars by Hall Spars
- Rigging by Hall Rigging
- Hardware by Harkin, Lewmar and Schaefer

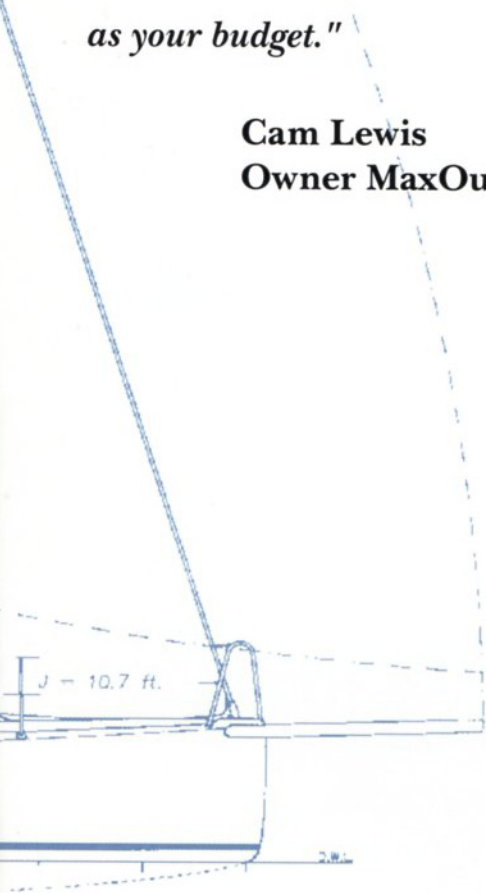

# Not only a fast race but cruising boat.

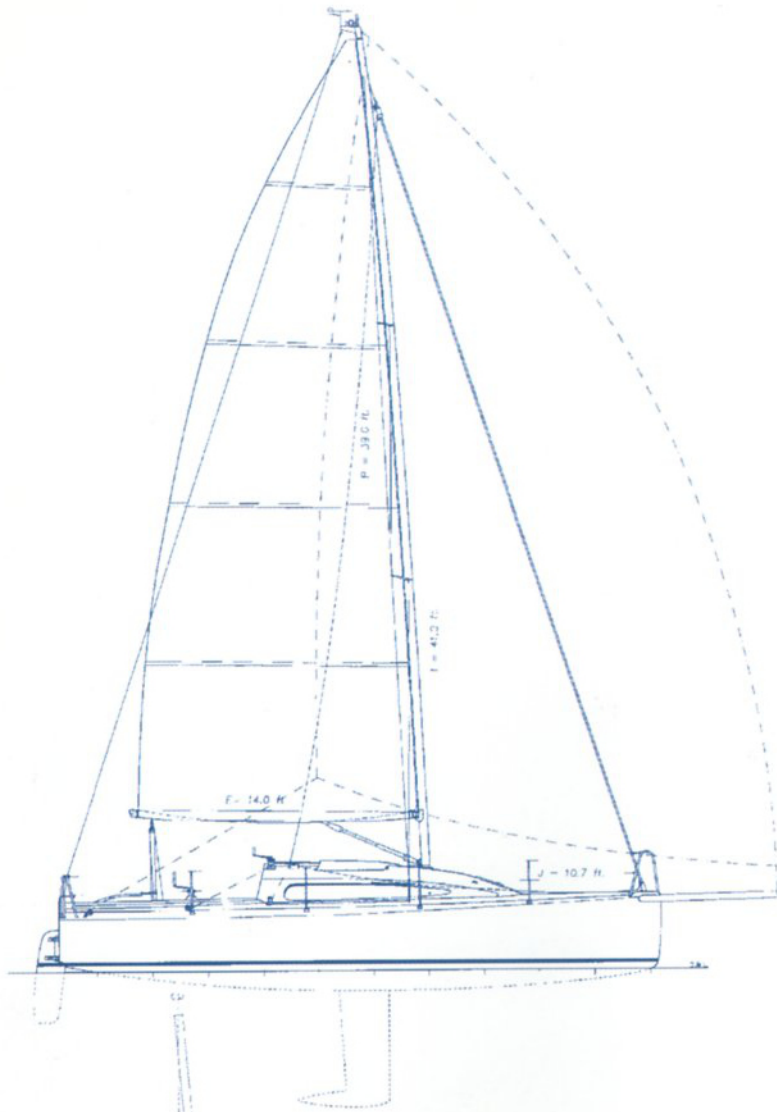

*Quest 30 is the  
fast and cruise fast."*

*"If you want to sail with a minimum  
number of your best crew mates, on a high  
tech boat, with water ballast, a carbon  
spar, asymmetrical spinnakers, and a fully  
battened main with a large roach,  
the Quest 30 will fit all your needs as well  
as your budget."*

Cam Lewis  
Owner MaxOut Q30 hull no. 2
