There's nothing quite like the thrill of a race on the water — especially when you're stealing the wind and leaving the others behind in a misty spray. Your boat is so game, she nearly leaps for the finish line.

You can have that thrill when you sail a Rebel, the dynamic 16' sloop that has earned a reputation as a classic sailboat. Rebel is universally acclaimed and enjoys its own national class association. A versatile sailboat, Rebel is equally suited to inland lakes and salty bays. She also possesses a combination of features that add to her excitement as an acclaimed sailing craft:

- Quick response to the helm
- Superb maneuverability
- Exceptional balance
- Low maintenance fiberglass hull
- Spacious cockpit seats up to 6 adults
- Generous storage under the foredeck
- Easily righted, sails away from a capsize
- Excellent for day sailing
- Trailers behind even a sub-compact car

For outstanding style, reliability, ruggedness and a high standard of performance that's second to none, catch a Rebel. Ask us about a "test sail."
