

Escape...

TO THE NEW WORLD OF
Reinell

Escape...

to the new world of sail-cruising. Escape to the new world created by the old master . . . REINELL. Reinell's tradition of pride in craftsmanship began during the 16th century in Luxembourg making fine furniture.

The Reinell family brought this tradition of quality to America where it was continued in the building of small cedar planked fishing boats for Puget Sound fishermen. From the modest beginning, Reinell grew to its current position as the World's Largest Manufacturer of Stern Drive Pleasure Boats.

For several years, plans have been made to enter yet a new area of boating . . . sailing. The time has ar-

rived! Reinell proudly invites you to escape to another new world. A world which combines the best of both, cruising and sailing. The world of the Reinell RSC 2600.

When you open the hatch of the Reinell RSC 2600 you'll think there must be some mistake—a 26 foot sailboat couldn't have this much room . . . but it does, and every inch is quality—old world quality in the most modern designed sailing cruiser you'll find anywhere. And, it's easily trailerable so you can quickly take her to all your favorite areas.

The galley area is complete with 2 burner alcohol stove and cutting board cover, sink with electric water

pump, dish and spice rack and large capacity ice box—No cramped quarters here—6'-4" head room so you will never have that "closed in" feeling found in so many sailboats.

But, Reinell isn't just one of the many sailboats. Everything is well planned like the hanging clothes locker, to keep your clothes wrinkle-free and fresh, and the roomy dinette with seating for 4 that converts to a berth for those 2 extra week-end guests. There's more sleeping too in the two 7' long quarter berths—combined with the forward berths that totals comfortable sleeping for six—you will find yourself

so comfortable that when at anchor you'll think you're at home.

The forward area is a sailor's dream—as large and elegantly appointed as many larger sailing yachts. The berth is 6'-5" long and beautifully styled in luxurious fabrics. The enclosed head gives needed privacy and the vanity and sink with electric water pump and storage drawers give you all the conveniences and comforts of your home. Complete in every way, there is even a large storage area for soiled clothing. This entire area can be closed off from the main dining and entertainment area by a beautiful teak grained door which features a full size built-in mirror.

SPECIFICATIONS

L.O.A. 25'-8" DISPL. 3,800 LBS.
BEAM 8' BALLAST 1,350 LBS.

WARRANTY AND DISCLAIMER

The Reinell Boat Company warrants its new boats to be free from defects in materials and workmanship under normal use and service for a period of one year from the date of delivery to the original purchaser. The obligation of Reinell under this warranty is limited to replacement or repair of a defective part free of charge by an authorized Reinell Dealer or at the factory's option at the Reinell Boat Company factory closest to the retail purchaser. Return transportation of any boat is to be paid by the claimant with all repairs subject to the authorization of factory trained personnel whose decisions will be final.

ITEMS NOT COVERED BY WARRANTY

This warranty does not apply to: (1) engine, outdrives, controls, batteries, propellers, or other equipment or accessories carrying their own individual warranties (appropriate adjustments to them being provided by their respective manufacturers); (2) installation of engines or accessories installed by others; (3) windshield breakage, windshield leakage, paint and gelcoat finishes, or upholstery materials; (4) any Reinell boat which has been altered, subjected to misuse, negligence or accident, or used for racing purposes; (5) any Reinell boat which has been over-powered according to our maximum BIA recommended engine horsepower specifications on the capacity plate provided for each Reinell boat model and any Reinell boat used for commercial purposes.

NO WARRANTIES MADE: LIABILITY DISCLAIMER

This warranty is expressly in lieu of all other expressed or implied warranties of Reinell Boat Company, whether by affirmation, promise, description or sample, including any implied warranty of merchant ability or fitness for any particular purpose and in lieu of all other obligations or liabilities on the part of Reinell Boat Company. No consequential damages shall be recovered. Reinell Boat Company neither assumes nor authorizes any other person to assume for it any liability in connection with Reinell boats.

Reinell reserves the right to make changes in design and any other changes or improvements upon its products without imposing any obligation upon itself to install the same upon existing products or its products then in the process of manufacturing.
