

Sabre 30

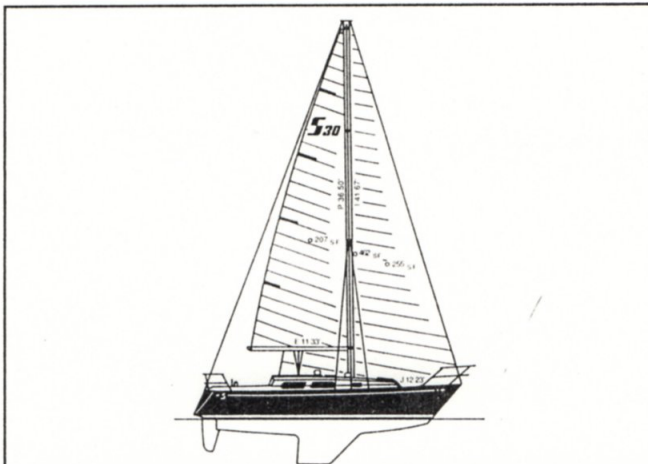

31'

The Sabre 30' an offshore racer/cruiser, offers spirited performance, seakindliness, and comfort. She provides the elegance and refinement of a much larger yacht in an easily managed 30' size range.

The spacious cabin features a comfortable seagoing layout with berths for six. Her sit-down navigation station and fully equipped galley offer amenities for both the day-sailor and bluewater cruiser alike.

A low profile cabin, powerful reverse transom, and ergonomically engineered cockpit identify her racer/cruiser heritage.

The Sabre 30 handles with agility both close to the wind and off the wind. She sports a double spreader delta section rig for excellent directional stability. Her modern hull shape, with U-shaped forward and fuller section aft, and well balanced rudder make

for easy handling in reaching conditions.

The Sabre 30 is a dynamic performer, setting the trend for the class with superb handling, comfort, and power.
