YACHTING CUP REGATTA

SAN DIEGO — 1st in Quarter Ton Div.

VASHON ISLAND RACE

1st in Division

In light, medium, or heavy going, this superb new design by Bruce Kirby has beaten the best. But the San Juan 24 is not only a hot racer, it's a nifty little cruising yacht. Standard equipment includes sink, head, lighting system, two hatches, roller reefing, all rigging and winches, vinyl hull liner, carpeting, teak trim and joiner work, and three-inch cushions to sleep five in comfort. Carefully constructed by the experienced makers of San Juan 21s, Thistles, Lightnings, OK Dinghy, Stars, and many others, the San Juan 24 features hand lay-up, deck of balsa sandwich and a cast lead keel bolted to the hull and faired, plus anodized mast and boom.

ORDER YOUR SAN JUAN 24 NOW! Factories on both East and West Coasts.
