The Sea Snark.TM \$119

Sea Snark owners are eligible for membership in the Sea Snark Racing Association. Sea Snark is a recognized one-design class boat and races under N.A.Y.R.U. rules.

Now you can be the captain of your own sailboat for \$119. And a recognized class boat, too, not a toy.

Because now we have a completely new way of manufacturing boats for hundreds of dollars less than it has ever been possible to make a boat for before.

Your Sea Snark comes complete. So you can car-top her anywhere there's water. And be off and sailing in two minutes flat.

You don't have to trailer her, repair or really even maintain a Sea Snark. Her hull is 30 pounds of high-density expanded polystyrene, and unsinkable even when filled with water.

A Sea Snark is great fun for everybody. She's portable. She's carefree. She's safe. And she's easy to learn to sail.

Landlubbers can handle her with ease. And even experienced sailors find her fun.

Stop dreaming. Sail one.
