

SUNBIRD

16
FT

Manufacturer's comment:

Sunbird—the new family 16-footer from AMF Alcort—sports a modern cambered deck and cuddy cabin. Designed with the beginning sailor in mind, she also promises to be an exciting racer with her planing hull and her optional spinnaker. Standard features include a mast tabernacle and combination paddle/mast support, permitting easy one-man rigging and launching . . . main boom topping lift for safety and reefing . . . "jiffy" reefing for the mainsail . . . spring-loaded kick-up mahogany rudder . . . a fully retracting fiberglass airfoil centerboard . . . all stainless steel rigging and fittings . . . a lockable mahogany cuddy hatch . . . a reinforced transom for an outboard motor up to six horsepower . . . and top marine construction to the standards of Alcort's famous Sunfish sport sailboat. The new Sunbird emphasizes stability and safety, having a wide beam and foam flotation. She is both self-rescuing and self-bailing, even at anchor.

Manufacturer's introductory suggested retail sailaway price: \$2,385.
