

Tartan 40

40'

The largest in Tartan's fleet, Tartan 40 offers owners the enjoyable choice between the industry's finest standard yacht and a virtually custom boat from one of the world's foremost builders. With either choice, you will sail away in a yacht that commands attention in any anchorage and can outsail performance-directed designs of greater length.

Tartans are justly renowned for their honest sailing speed and character, for the high quality of their construction and fitments, for their luxuriously appointed and beautifully crafted accommodations, and for their ability to withstand the test of time at sea and in the marketplace.

Tartan 40, in addition to standard and custom-featured rig, deck, hardware, and layout, offers you the choice of Scheel keel, deeper fin or keel/centerboard. All have

been built and extensively proven.

See your Tartan dealer or write for further information on this and other Tartans 28 to 37-feet long.
