

Taswell 43

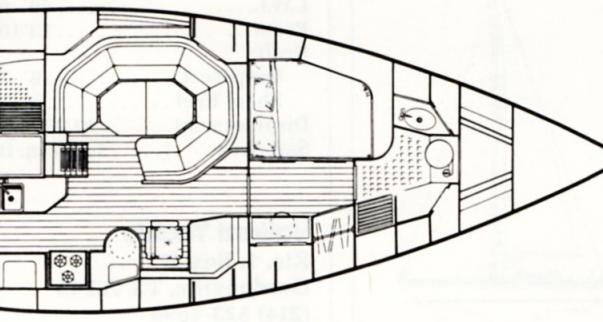

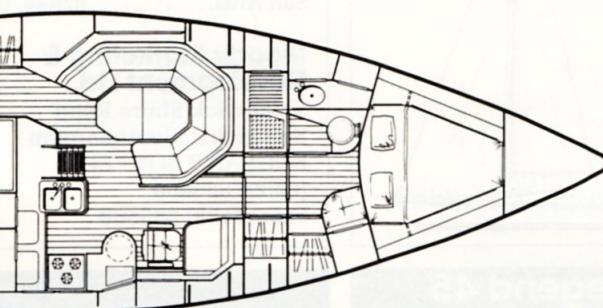

43'

The Taswell 43 is the first of an entirely new performance-cruising yacht series from Ta Shing, builder of the respected Tashiba and Mason series of cruising yachts.

Noted British naval architect Bill Dixon used a computer database to meet Ta Shing's design parameters: to combine excellent sailing performance with exceptional interior accommodation.

The Taswell 43 has a highly efficient distribution of volume across her hull form. A sail/displacement ratio of 16.75 promises excellent sail-carrying ability and performance under a wide variety of conditions.

The deck features low-profile styling and a secure center cockpit to which all sail controls are led. The deck is clean and sleek for unobstructed foredeck work. Belowdecks, notable features include an expansive owner's cabin with an enclosed head, a seamanlike galley, and a functional navigation station.

L.O.A. 42' 10"
 L.W.L. 38' 4"
 Beam 13' 8"
 Draft:

Deep Keel 6' 3"
 Shoal Keel 5' 3"

Displacement 23,500 lbs.
 Sail Area:

100% Foretriangle 467 sq. ft.
 Main 392 sq. ft.

Rig Dimensions

Foretriangle:

I (Height) 55' 0"
 J (Base) 17' 0"

Main:

P (Luff) 49' 0"
 E (Foot) 16' 0"

Rig **Forespar**

No. of Berths 4-6

Water Capacity 192 gal.

Fuel Capacity 82 gal.
